

(D) the performance of the Job Corps center relating to the expected levels of performance for the indicators described in section 3209(c)(1) of this title, and whether any actions have been taken with respect to such center pursuant to paragraphs (2) and (3) of section 3209(f) of this title.

(d) Assignment of individual enrollees

(1) In general

After an individual has been selected for the Job Corps in accordance with the standards and procedures of the Secretary under subsection (a), the enrollee shall be assigned to the Job Corps center that offers the type of career and technical education and training selected by the individual and, among the centers that offer such education and training, is closest to the home of the individual. The Secretary may waive this requirement if—

(A) the enrollee would be unduly delayed in participating in the Job Corps program because the closest center is operating at full capacity; or

(B) the parent or guardian of the enrollee requests assignment of the enrollee to another Job Corps center due to circumstances in the community of the enrollee that would impair prospects for successful participation in the Job Corps program.

(2) Enrollees who are younger than 18

An enrollee who is younger than 18 shall not be assigned to a Job Corps center other than the center closest to the home that offers the career and technical education and training desired by the enrollee pursuant to paragraph (1) if the parent or guardian of the enrollee objects to the assignment.
