**§ 1104. Budget and appropriations authority of the President**

(a) The President shall prepare budgets of the United States Government under section 1105 of this title and proposed deficiency and supplemental appropriations under section 1107 of this title. To the extent practicable, the President shall use uniform terms in stating the purposes and conditions of appropriations.

(b) Except as provided in this chapter, the President shall prescribe the contents and order of statements in the budget on expenditures and estimated expenditures and statements on proposed appropriations and information submitted with the budget and proposed appropriations. The President shall include with the budget and proposed appropriations information on personnel and other objects of expenditure in the way that information was included in the budget for fiscal year 1950. However, the requirement that information be included in the budget in that way may be waived or changed by joint action of the Committees on Appropriations of both Houses of Congress. This subsection does not limit the authority of a committee of Congress to request information in a form it prescribes.

(c) When the President makes a basic change in the form of the budget, the President shall submit with the budget information showing where items in the budget for the prior fiscal year are contained in the present budget. However, the President may change the functional categories in the budget only in consultation with the Committees on Appropriations and on the Budget of both Houses of Congress. Committees of the House of Representatives and Senate shall receive prompt notification of all such changes.

(d) The President shall develop programs and prescribe regulations to improve the compilation, analysis, publication, and dissemination of statistical information by executive agencies. The President shall carry out this subsection through the Administrator for the Office of Information and Regulatory Affairs in the Office of Management and Budget.

(e) Under regulations prescribed by the President, each agency shall provide information required by the President in carrying out this chapter. The President has access to, and may inspect, records of an agency to obtain information.

In the section, the word “President” is substituted for “Office” in 31:16(last sentence), “President, through the Director of the Office of Management and Budget” in 31:18b, “President and the Director of the Office of Management and Budget” in 44:3503(note), and “Office of Management and Budget” in 31:21 and 623, because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085), designated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President.

The words “use uniform terms in stating” are substituted for “make uniform the language commonly used in expressing” in 31:623 for consistency. The words “either generally or in specific cases” are omitted as surplus. The word “request” is substituted for “request and receive” to eliminate unnecessary words. The words “it prescribes” are substituted for “as they may desire in consideration of and action upon budget estimates” to eliminate unnecessary words.

In subsection (c), the words “President makes” are substituted for “is made” in 31:581a as being more precise. The word “information” is substituted for “explanatory notes and tables” for consistency in the revised title. The words “to Congress”, “as may be necessary”, and “various” are omitted as surplus. The words “The President may change” are substituted for “Any change . . . shall be made only” in 31:11d because the President prepares and submits the budget under 31:11. The word “budget” is substituted for “Budget of the United States Government transmitted pursuant to section 11 of this title” to eliminate unnecessary words and for consistency in the chapter.
