

In subsection (b), the words “prescribed by subsection (a)” are substituted for the words “to determine such qualifications for appointment”. The word “designated” is substituted for the word “appointed”, since the filling of the positions involved is not an appointment to office in the constitutional sense. The words “of an individual as an officer or warrant officer” are omitted as surplusage.

In subsection (c), the word “originally” is inserted for clarity. The words “If such a board finds a person” are substituted for the words “if the applicant has been found”. The words “for individual Federal recognition for the office for which he was found qualified” are inserted for clarity. The words “that office” are substituted for the words “the office for which he was found qualified”.

In subsection (d), the words “Notwithstanding the provisions of section 113 of Title 32” are omitted as covered by the words of exception in revised subsection (a). The words “Subject to subsection (a)(1) and (2)” are inserted, since 50:1115(a) (less last 39 words) was not an exception to that part of 50:1113 relating to qualifications prescribed by the Secretary, or to the requirement that only members of federally recognized units can be federally recognized. The words “in his reserve grade” are substituted for the words “in the same grade in which he is appointed as a Reserve officer of the appropriate Armed Force of the United States”. The last sentence is inserted for clarity.

The words “without the examination prescribed in section 113 of Title 32” are omitted as covered by the words of exception in revised subsection (a).
