

to the review of guidelines under subsection (b) and the consideration of variances under subsection (c)(2).

“(B) STATE, TRIBAL, REGIONAL, AND LOCAL ENTITIES.—The Secretary shall consider and accept recommendations from any State, tribal, regional, or local entity for vegetation management policies for levees that conform with Federal and State laws and other applicable requirements, including recommendations relating to the review of guidelines under subsection (b) and the consideration of variances under subsection (c)(2).

“(e) INDEPENDENT CONSULTATION.—

“(1) IN GENERAL.—As part of the review, the Secretary shall solicit and consider the views of independent experts on the engineering, environmental, and institutional considerations underlying the guidelines, including the factors described in subsection (c) and any information obtained by the Secretary under subsection (d).

“(2) AVAILABILITY OF VIEWS.—The views of the independent experts obtained under paragraph (1) shall be—

“(A) made available to the public; and

“(B) included in supporting materials issued in connection with the revised guidelines required under subsection (f).

“(f) REVISION OF GUIDELINES.—

“(1) IN GENERAL.—Not later than 18 months after the date of enactment of this Act [June 10, 2014], the Secretary shall—

“(A) revise the guidelines based on the results of the review, including—

“(i) recommendations received as part of the consultation described in subsection (d)(1); and

“(ii) the views received under subsection (e);

“(B) provide the public not less than 30 days to review and comment on draft guidelines before issuing final guidelines; and

“(C) submit to Congress and make publicly available a report that contains a summary of the activities of the Secretary and a description of the findings of the Secretary under this section.

“(2) CONTENT; INCORPORATION INTO MANUAL.—The revised guidelines shall—

“(A) provide a practical, flexible process for approving Statewide, tribal, regional, or watershed variances from the guidelines that—

“(i) reflect due consideration of the factors described in subsection (c); and

“(ii) incorporate State, tribal, and regional vegetation management guidelines for specific areas that—

“(I) are consistent with the guidelines; and

“(II) have been adopted through a formal public process; and

“(B) be incorporated into the manual proposed under section 5(c) of the Act of August 18, 1941 (33 U.S.C. 701n(c)).

“(3) FAILURE TO MEET DEADLINES.—If the Secretary fails to submit a report by the required deadline under this subsection, the Secretary shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a detailed explanation of—

“(A) why the deadline was missed;

“(B) solutions needed to meet the deadline; and

“(C) a projected date for submission of the report.

“(g) INTERIM ACTIONS.—

“(1) IN GENERAL.—Until the date on which revisions to the guidelines are adopted in accordance with subsection (f), the Secretary shall not require the removal of existing vegetation as a condition or requirement for any approval or funding of a project, or any other action, unless the specific vegetation has been demonstrated to present an unacceptable safety risk.

“(2) REVISIONS.—Beginning on the date on which the revisions to the guidelines are adopted in accord-

ance with subsection (f), the Secretary shall reconsider, on request of an affected entity, any previous action of the Corps of Engineers in which the outcome was affected by the former guidelines.”

Pub. L. 104-303, title II, § 202(g), Oct. 12, 1996, 110 Stat. 3676, provided that:

“(1) REVIEW.—The Secretary shall undertake a comprehensive review of the current policy guidelines on vegetation management for levees. The review shall examine current policies in view of the varied interests in providing flood control, preserving, protecting, and enhancing natural resources, protecting the rights of Native Americans pursuant to treaty and statute, and such other factors as the Secretary considers appropriate.

“(2) COOPERATION AND CONSULTATION.—The review under this section [subsection] shall be undertaken in cooperation with interested Federal agencies and in consultation with interested representatives of State and local governments and the public.

“(3) REVISION OF GUIDELINES.—Based upon the results of the review, the Secretary shall revise, not later than 270 days after the date of the enactment of this Act [Oct. 12, 1996], the policy guidelines so as to provide a coherent and coordinated policy for vegetation management for levees. Such revised guidelines shall address regional variations in levee management and resource needs and shall be incorporated in the manual proposed under section 5(c) of such Act of August 18, 1941 (33 U.S.C. 701n[(c)]).”

§ 701n-1. Biennial report to Congress

(A) In general

Not later than 2 years after June 10, 2014, and every 2 years thereafter, the Secretary shall submit to the Committee on Environment and Public Works of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives a report detailing the amounts expended in the previous 5 fiscal years to carry out Corps of Engineers projects under section 701n of this title.

(B) Inclusions

A report under subparagraph (A) shall, at a minimum, include a description of—

(i) each structure, feature, or project for which amounts are expended, including the type of structure, feature, or project and cost of the work; and

(ii) how the Secretary has repaired, restored, replaced, or modified each structure, feature, or project or intends to restore the structure, feature, or project to the design level of protection for the structure, feature, or project.
