### § 481h. Travel and transportation allowances: transportation of designated individuals incident to hospitalization of members for treatment of wounds, illness, or injury

(a) TRAVEL AND TRANSPORTATION AUTHORIZED.—(1) Under uniform regulations prescribed by the Secretaries concerned, travel and transportation described in subsection (c) may be provided for not more than three individuals who, with respect to a member described in paragraph (2), are designated individuals for that member if the attending physician or surgeon and the commander or head of the military medical facility exercising control over the member determine, with respect to any such individual, that the presence of such individual may contribute to the member’s health and welfare. In circumstances determined to be appropriate by the Secretary concerned, the Secretary may waive the limitation on the number of designated individuals provided travel and transportation under this section.

(2) A member referred to in paragraph (1) is a member of the uniformed services who—

(A) is serving on active duty, is entitled to pay and allowances under section 204(g) of this title (or would be so entitled were it not for offsetting earned income described in that section), or is retired for the illness or injury referred to in subparagraph (B); and

(3) Not more than a total of three roundtrips may be provided under paragraph (1) in any 60-day period at Government expense to the individuals who, with respect to a member, are the designated individuals of that member in effect during that period. However, if the Secretary concerned has granted a waiver under the second sentence of paragraph (1) with respect to a member, then for any 60-day period in which the waiver is in effect the limitation in the preceding sentence shall be adjusted accordingly. In addition, during any period during which there is in effect a non-medical attendant designation for a member under section 481k of this title, not more than a total of two roundtrips may be provided under paragraph (1) in any 60-day period at Government expense until there no longer is a designation of a non-medical attendant or that designation transfers to another individual, in which case during the transfer period three roundtrips may be provided.

(4) In the case of a designated individual who is also a member of the uniformed services, that member may be provided travel and transportation under this section in the same manner as a designated individual who is not a member.

(2) The designation of an individual as a designated individual for purposes of this section may be changed at any time.

(3)(A) In this section, the term “health and welfare”, with respect to a member, includes a situation in which a decision must be made by family members regarding the termination of artificial life support being provided to the member.

(iv) Siblings of the member.

(v) A person related to the member as described in clause (i), (ii), (iii), or (iv) who is also a member of the uniformed services.

(4)(A) In this section, the term “serious mental disorder”, in the case of a member, means that the member has been diagnosed with a mental disorder that requires intensive mental health treatment or hospitalization.

(B) The circumstances in which a member shall be considered to have a serious mental disorder for purposes of this section shall include, but not be limited to, the following:

(2) In addition to the transportation authorized by subsection (a), the Secretary concerned may provide a per diem allowance or reimbursement for the actual and necessary expenses of the travel, or a combination thereof, but not to exceed the rates established under section 474(d) of this title.
