(a)(1) Individuals utilized under the authority of subsection (b) shall be paid an additional educational assistance allowance (hereinafter in this section referred to as “work-study allowance”). Such allowance shall be paid in return for an individual's entering into an agreement described in paragraph (3).

(2) Such work-study allowance shall be paid in an amount equal to the product of—

(A) the applicable hourly minimum wage; and

(B) the number of hours worked during the applicable period.

(3) An agreement described in this paragraph is an agreement of an individual to perform services, during or between periods of enrollment, aggregating not more than a number of hours equal to 25 times the number of weeks in the semester or other applicable enrollment period, required in connection with a qualifying work-study activity.

(J) Any other veterans-related position in an institution of higher learning.

(5) An individual may elect, in a manner prescribed by the Secretary, to be paid in advance an amount equal to 40 percent of the total amount of the work-study allowance agreed to be paid under the agreement in return for the individual's agreement to perform the number of hours of work specified in the agreement (but not more than an amount equal to 50 times the applicable hourly minimum wage).

(6) For the purposes of this subsection and subsection (e), the term “applicable hourly minimum wages” means—

(A) the hourly minimum wage under section 6(a) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)); or

(B) the hourly minimum wage under comparable law of the State in which the services are to be performed, if such wage is higher than the wage referred to in subparagraph (A) and the Secretary has made a determination to pay such higher wage.

(b) Notwithstanding any other provision of law, the Secretary shall, subject to the provisions of subsection (e) of this section, utilize, in connection with the activities specified in subsection (a)(1) of this section, the service of individuals who are pursuing programs of rehabilitation, education, or training under chapter 30, 31, 32, 33, or 34 of this title or chapter 1606 or 1607 of title 10, at a rate equal to at least three-quarters of that required of a full-time student. In carrying out this section, the Secretary, wherever feasible, shall give priority to veterans with disabilities rated at 30 percent or more for purposes of chapter 11 of this title. In the event an individual ceases to be at least a three-quarter-time student before completing such agreement, the individual may, with the approval of the Secretary, be permitted to complete such agreement.

(c) The Secretary shall determine the number of individuals whose services the Department of Veterans Affairs can effectively utilize and the types of services that such individuals may be required to perform, on the basis of a survey, which the Secretary shall conduct annually, of each Department of Veterans Affairs regional office in order to determine the numbers of individuals whose services can effectively be utilized during an enrollment period in each geographical area where Department of Veterans Affairs activities are conducted, and shall determine which individuals shall be offered agreements under this section in accordance with regulations which the Secretary shall prescribe, including as criteria (1) the need of the individual to augment the veteran's educational assistance or subsistence allowance; (2) the availability to the individual of transportation to the place where the individual's services are to be performed; (3) the motivation of the individual; and (4) in the case of a disabled veteran pursuing a course of vocational rehabilitation under chapter 31 of this title, the compatibility of the work assignment to the veteran's physical condition.

(e)(1) Subject to paragraph (2) of this subsection, the Secretary may, notwithstanding any other provision of law, enter into an agreement with an individual under this section, or a modification of such an agreement, whereby the individual agrees to perform a qualifying work-study activity described in subsection (a)(4) and agrees that the Secretary shall, in lieu of paying the work-study allowance payable for such services, as provided in subsection (a) of this section, deduct the amount of the allowance from the amount which the individual has been determined to be indebted to the United States by virtue of such individual's participation in a benefits program under this chapter, chapter 30, 31, 32, 33, 35, or 36 of this title, or chapter 1606 or 1607 of title 10 (other than an indebtedness arising from a refund penalty imposed under section 2135¹ of such title).

(B) For the purposes of this subsection, the Secretary may—

(i) waive, in whole or in part, the limitations in subsection (a) of this section concerning the number of hours and periods during which services can be performed by the individual and the provisions of subsection (b) of this section requiring the individual's pursuit of a program of rehabilitation, education, or training;

(ii) in accordance with such terms and conditions as may be specified in the agreement under this subsection, waive or defer charging interest and administrative costs pursuant to section 5315 of this title on the indebtedness to be satisfied by performance of the agreement; and

(iii) notwithstanding the indebtedness offset provisions of section 5314 of this title, waive or defer until the termination of an agreement under this subsection the deduction of all or any portion of the amount of indebtedness covered by the agreement from future payments to the individual as described in section 5314 of this title.

(3)(A) Subject to the provisions of subparagraphs (B) and (C) of this paragraph, an agreement authorized under this subsection shall terminate in accordance with the provisions of this section and the terms and conditions of the agreement which are consistent with this subsection.

(B) In no event shall an agreement under this subsection continue in force after the total amount of the individual's indebtedness described in paragraph (1) of this subsection has been recouped, waived, or otherwise liquidated.

(C) Notwithstanding the provisions of subparagraphs (A) and (B) of this paragraph, if the Secretary finds that an individual was without fault and was allowed to perform services described in the agreement after its termination, the Secretary shall, as reasonable compensation therefor, pay the individual at the applicable hourly minimum wage rate for such services as the Secretary determines were satisfactorily performed.

(4) The Secretary shall promulgate regulations to carry out this subsection.
