§ 4214. Employment within the Federal Government

(a)(1) The United States has an obligation to assist veterans of the Armed Forces in readjusting to civilian life. The Federal Government is also continuously concerned with building an effective work force, and veterans constitute a uniquely qualified recruiting source. It is, therefore, the policy of the United States and the purpose of this section to promote the maximum of employment and job advancement opportunities within the Federal Government for qualified covered veterans (as defined in paragraph (2)(B)) who are qualified for such employment and advancement.

(2) In this section:

(A) The term "agency" has the meaning given the term "department or agency" in section 4211(5) of this title.

(d) The Office of Personnel Management shall be responsible for the review and evaluation of the implementation of this section and the activities of each agency to carry out the purpose and provisions of this section. The Office shall
