(1) make available to its citizens, public agencies, and other interested parties information concerning the amount of assistance the jurisdiction expects to receive and the range of investment or other uses of such assistance that the jurisdiction may undertake;

(2) publish a proposed housing strategy in a manner that, in the determination of the Secretary, affords affected citizens, public agencies, and other interested parties a reasonable opportunity to examine its content and to submit comments on the proposed housing strategy;

(3) hold one or more public hearings to obtain the views of citizens, public agencies, and other interested parties on the housing needs of the jurisdiction; and

(4) provide citizens, public agencies, and other interested parties with reasonable access to records regarding any uses of any assistance the jurisdiction may have received during the preceding 5 years.

(b) Notice and comment

Before submitting any performance report or substantial amendment to a housing strategy under this section,¹ a participating jurisdiction shall provide citizens with reasonable notice of, and opportunity to comment on, such performance report or substantial amendment prior to its submission.

(c) Consideration of comments

A participating jurisdiction shall consider any comments or views of citizens in preparing a final housing strategy, amendment to a housing strategy or performance report for submission. A summary of such comments or views shall be attached when a housing strategy, amendment to a housing strategy or performance report is submitted. The submitted housing strategy, amendment, or report shall be made available to the public.

§ 12708. Compliance

(a) Performance reports

(1) In general

Each participating jurisdiction shall annually review and report, in a form acceptable to the Secretary, on the progress it has made in carrying out its housing strategy, which report shall include an evaluation of the jurisdiction's progress in meeting its goal established in section 12705(b)(15)¹ of this title, and information on the number and types of households served, including the number of very low-income, low-income, and moderate-income persons served and the racial and ethnic status of persons served that will be assisted with funds made available.

(2) Submission

The Secretary shall (A) establish dates for submission of reports under this subsection, and (B) review such reports and make such recommendations as the Secretary deems appropriate to carry out the purposes of this Act.

(3) Failure to report

If a jurisdiction fails to submit a report satisfactory to the Secretary in a timely manner, assistance to the jurisdiction under subchapter II of this chapter or the other programs referred to in section 12706 of this title may be—

(A) suspended until a report satisfactory to the Secretary is submitted; or

(B) withdrawn and reallocated if the Secretary finds, after notice and opportunity for a hearing, that the jurisdiction will not submit a satisfactory report.

(b) Performance review by Secretary

(1) In general

The Secretary shall ensure that activities of each jurisdiction required to submit a housing strategy under section 12705 of this title are reviewed not less frequently than annually. Such review shall include, insofar as practicable, on-site visits by employees of the Department of Housing and Urban Development and shall include an assessment of the jurisdiction's—

(A) management of funds made available under programs administered by the Secretary;

(B) compliance with its housing strategy;

¹ See References in Text note below.

(2) Report by Secretary

The Secretary shall report on the performance review in writing. The Secretary shall give the jurisdiction not less than 30 days to review and comment on the report. After taking into consideration the comments of the jurisdiction, the Secretary may revise the report and shall make the jurisdiction's comments and the report, with any revisions, readily available to the public within 30 days after receipt of the jurisdiction's comments.

(c) Review by courts

The adequacy of information submitted under section 12705(b)(4) of this title shall not be reviewable by any Federal, State, or other court. Review of a housing strategy by any Federal, State, or other court shall be limited to determining whether the process of development and the content of the strategy are in substantial compliance with the requirements of this Act. During the pendency of any action challenging the adequacy of a housing strategy or the action of the Secretary in approving a strategy, the court shall not have the authority to enjoin activities taken by the jurisdiction to implement an approved housing strategy. Any housing assisted during the pendency of such action shall not be subject to any order of the court resulting from such action.

§ 12709. Energy efficiency standards**(a) Establishment****(1) In general**

The Secretary of Housing and Urban Development and the Secretary of Agriculture shall, not later than September 30, 2006, jointly establish, by rule, energy efficiency standards for—

(A) new construction of public and assisted housing and single family and multifamily residential housing (other than manufactured homes) subject to mortgages insured under the National Housing Act [12 U.S.C. 1701 et seq.];

(B) new construction of single family housing (other than manufactured homes) subject to mortgages insured, guaranteed, or made by the Secretary of Agriculture under title V of the Housing Act of 1949 [42 U.S.C. 1471 et seq.]; and

(C) rehabilitation and new construction of public and assisted housing funded by HOPE VI revitalization grants under section 1437v of this title.

(2) Contents

Such standards shall meet or exceed the requirements of the 2006 International Energy Conservation Code (hereafter in this section referred to as “the 2006 IECC”), or, in the case of multifamily high rises, the requirements of the American Society of Heating, Refrigerating, and Air-Conditioning Engineers Standard 90.1-2004 (hereafter in this section referred to as “ASHRAE Standard 90.1-2004”), and shall be cost-effective with respect to construction and operating costs on a life-cycle cost basis. In developing such standards, the Secretaries shall consult with an advisory task force composed of homebuilders, national, State, and local housing agencies (including public housing agencies), energy agencies, building code organizations and agencies, energy efficiency organizations, utility organizations, low-income housing organizations, and other parties designated by the Secretaries.

(b) International Energy Conservation Code

If the Secretaries have not, by September 30, 2006, established energy efficiency standards under subsection (a), all new construction and rehabilitation of housing specified in such subsection shall meet the requirements of the 2006 IECC, or, in the case of multifamily high rises, the requirements of ASHRAE Standard 90.1-2004.

(c) Revisions of the International Energy Conservation Code

If the requirements of the 2006 IECC, or, in the case of multifamily high rises, ASHRAE Standard 90.1-2004, are revised at any time, the Secretaries shall, not later than 1 year after such revision, amend the standards established under subsection (a) to meet or exceed the requirements of such revised code or standard unless the Secretaries determine that compliance with such revised code or standard would not result in a significant increase in energy efficiency or would not be technologically feasible or economically justified.

(d) Failure to amend the standards

If the Secretary of Housing and Urban Development and the Secretary of Agriculture have not, within 1 year after the requirements of the 2006 IECC or the ASHRAE Standard 90.1-2004 are revised, amended the standards or made a determination under subsection (c), all new construction and rehabilitation of housing specified in subsection (a) shall meet the requirements of the revised code or standard if—

(1) the Secretary of Housing and Urban Development or the Secretary of Agriculture make a determination that the revised codes do not negatively affect the availability or affordability of new construction of assisted housing and single family and multifamily residential housing (other than manufactured homes) subject to mortgages insured under the National Housing Act (12 U.S.C. 1701 et seq.) or insured, guaranteed, or made by the Secretary of Agriculture under title V of the Housing Act of 1949 (42 U.S.C. 1471 et seq.), respectively; and

(2) the Secretary of Energy has made a determination under section 6833 of this title that the revised code or standard would improve energy efficiency.
