(a) In general

A homeownership program under this part shall provide for acquisition by eligible families of ownership interest in, or shares representing, the units in an eligible property under any arrangement determined by the Secretary to be appropriate, such as cooperative ownership (including limited equity cooperative ownership) and fee simple ownership (including condominium ownership), for occupancy by the eligible families.

⁴ So in original. Two subsecs. (d) have been enacted.

⁵ See References in Text note below.

⁶ So in original. Probably should be “this”.

(b) Affordability

A homeownership program under this part shall provide for the establishment of sales prices (including principal, insurance, taxes, and interest and closing costs) for initial acquisition of the property, and for sales to eligible families, such that the eligible family shall not be required to expend more than 30 percent of the adjusted income of the family per month to complete a sale under the homeownership program.

(c) Plan

A homeownership program under this part shall provide, and include a plan, for—

- (1) identifying and selecting eligible families to participate in the homeownership program;
- (2) providing relocation assistance to families who elect to move;
- (3) ensuring continued affordability by tenants, homebuyers, and homeowners in the property; and
- (4) providing ongoing training and counseling for homebuyers and homeowners.

(d) Acquisition and rehabilitation limitation

Acquisition or rehabilitation of a property under a homeownership program under this part may not consist of acquisition or rehabilitation of less than all of the units in the property. The provisions of this subsection may be waived upon a finding by the Secretary that the sale of less than all the buildings in a project is feasible and will not result in a hardship to any tenants of the project who are not included in the homeownership program.

(e) Financing**(1) In general**

The application shall identify and describe the proposed financing for (A) any rehabilitation, and (B) acquisition (i) of the project, where applicable, by an entity for transfer to eligible families, and (ii) by eligible families of ownership interests in, or shares representing, units in the project. Financing may include use of the implementation grant, sale for cash, or other sources of financing (subject to applicable requirements), including conventional mortgage loans and mortgage loans insured under title II of the National Housing Act [12 U.S.C. 1707 et seq.].

(2) Prohibition against pledges

Property transferred under this part shall not be pledged as collateral for debt or otherwise encumbered except when the Secretary determines that—

- (A) such encumbrance will not threaten the long-term availability of the property for occupancy by low-income families;
- (B) neither the Federal Government nor the public housing agency will be exposed to undue risks related to action that may have to be taken pursuant to paragraph (3);
- (C) any debt obligation can be serviced from project income, including operating assistance; and
- (D) the proceeds of such encumbrance will be used only to meet housing standards in accordance with subsection (f) or to make such additional capital improvements as the

Secretary determines to be consistent with the purposes of this part.

(3) Opportunity to cure

Any lender that provides financing in connection with a homeownership program under this part shall give the public housing agency, resident management corporation, individual owner, or other appropriate entity a reasonable opportunity to cure a financial default before foreclosing on the property, or taking other action as a result of the default.

(f) Housing quality standards

The application shall include a plan ensuring that the unit—

- (1) will be free from any defects that pose a danger to health or safety before transfer of an ownership interest in, or shares representing, a unit to an eligible family; and
- (2) will, not later than 2 years after the transfer to an eligible family, meet minimum housing standards established by the Secretary for the purpose of this title.¹

(g) Protection of nonpurchasing families**(1) In general**

No tenant residing in a dwelling unit in a property on the date the Secretary approves an application for an implementation grant may be evicted by reason of a homeownership program approved under this part.

(2) Rental assistance

If a tenant decides not to purchase a unit, or is not qualified to do so, the Secretary shall, subject to the availability of appropriations, ensure that rental assistance under section 1437f of this title is available for use by each otherwise qualified tenant in that or another property.

(3) Relocation assistance

The recipient shall also inform each such tenant that if the tenant chooses to move, the recipient will pay relocation assistance in accordance with the approved homeownership program.

§ 12875. Other program requirements**(a) Preferences**

In selecting eligible families for homeownership, the recipient shall give a first preference to otherwise qualified current tenants and a second preference to otherwise qualified eligible families who have completed participation in an economic self-sufficiency program specified by the Secretary.

(b) Cost limitations

The Secretary may establish cost limitations on eligible activities under this part, subject to the provisions of this part.

(c) Use of proceeds from sales to eligible families

The entity that transfers ownership interests in, or shares representing, units to eligible families, or another entity specified in the approved application, shall use the proceeds, if any, from the initial sale for costs of the homeownership program, including operating expenses, improvements to the project, business opportunities for low-income families, supportive services related to the homeownership program, additional homeownership opportunities, and other activities approved by the Secretary.

(d) Restrictions on resale by homeowners**(1) In general****(A) Transfer permitted**

A homeowner under a homeownership program may transfer the homeowner's ownership interest in, or shares representing, the unit, except that a homeownership program may establish restrictions on the resale of units under the program.

(B) Right to purchase

Where a resident management corporation, resident council, or cooperative has jurisdiction over the unit, the corporation, council, or cooperative shall have the right to purchase the ownership interest in, or shares representing, the unit from the homeowner for the amount specified in a firm contract between the homeowner and a prospective buyer. If such an entity does not have jurisdiction over the unit or elects not to purchase and if the prospective buyer is not a low-income family, the public housing agency or the implementation grant recipient shall have the right to purchase the ownership interest in, or shares representing, the unit for the same amount.

(C) Promissory note required

The homeowner shall execute a promissory note equal to the difference between the market value and the purchase price, payable to the public housing agency or other entity designated in the homeownership plan, together with a mortgage securing the obligation of the note.

(2) 6 years or less

In the case of a transfer within 6 years of the acquisition under the program, the homeownership program shall provide for appropriate restrictions to assure that an eligible family may not receive any undue profit. The

plan shall provide for limiting the family's consideration for its interest in the property to the total of—

(A) the contribution to equity paid by the family;

(B) the value, as determined by such means as the Secretary shall determine through regulation, of any improvements installed at the expense of the family during the family's tenure as owner; and

(C) the appreciated value determined by an inflation allowance at a rate which may be based on a cost-of-living index, an income index, or market index as determined by the Secretary through regulation and agreed to by the purchaser and the entity that transfers ownership interests in, or shares representing, units to eligible families (or another entity specified in the approved application), at the time of initial sale, and applied against the contribution to equity.

Such an entity may, at the time of initial sale, enter into an agreement with the family to set a maximum amount which this appreciation may not exceed.

(3) 6–20 years

In the case of a transfer during the period beginning 6 years after the acquisition and ending 20 years after the acquisition, the homeownership program shall provide for the recapture by the Secretary or the program of an amount equal to the amount of the declining balance on the note described in paragraph (1)(C).

(4) Use of recaptured funds

Fifty percent of any portion of the net sales proceeds that may not be retained by the homeowner under the plan approved pursuant to this subsection shall be paid to the entity that transferred ownership interests in, or shares representing, units to eligible families, or another entity specified in the approved application, for use for improvements to the project, business opportunities for low-income families, supportive services related to the homeownership program, additional homeownership opportunities, and other activities approved by the Secretary. The remaining 50 percent shall be returned to the Secretary for use under this part, subject to limitations contained in appropriations Acts. Such entity shall keep and make available to the Secretary all records necessary to calculate accurately payments due the Secretary under this subsection.

(e) Third party rights

The requirements under this part regarding quality standards, resale, or transfer of the ownership interest of a homeowner shall be judicially enforceable against the grant recipient with respect to actions involving rehabilitation, and against purchasers of property under this subsection or their successors in interest with respect to other actions by affected low-income families, resident management corporations, resident councils, public housing agencies, and any agency, corporation, or authority of the United States Government. The parties specified in the preceding sentence shall be entitled to
