§ 13285. Reports to Congress

(a) Progress reports

The Secretary shall report annually to Congress on the progress being made, through demonstration projects supported under this part, to accelerate the development and use of electric motor vehicles.

(b) Report on encouraging purchase and use of electric motor vehicles

Within 18 months after October 24, 1992, the Secretary shall submit to the Congress a report on methods for encouraging the purchase and use of electric motor vehicles. Such report shall—

- (1) address the potential cost of purchasing and maintaining electric motor vehicles, including the initial cost of the batteries and the cost of replacement batteries;
- (2) identify methods for reducing, subsidizing, or sharing such costs; and
- (3) include recommendations for legislative and administrative measures to encourage the purchase and use of electric motor vehicles.

(Pub. L. 102-486, title VI, §615, Oct. 24, 1992, 106 Stat. 2903.)

§ 13286. Authorization of appropriations

There are authorized to be appropriated to the Secretary for purposes of this part \$50,000,000 for the 10-year period beginning with the first full fiscal year after October 24, 1992, to remain available until expended.

(Pub. L. 102-486, title VI, §616, Oct. 24, 1992, 106 Stat. 2903.)

PART B—ELECTRIC MOTOR VEHICLE INFRASTRUCTURE AND SUPPORT SYSTEMS DEVELOPMENT PROGRAM

§ 13291. General authority

(a) Program

The Secretary shall undertake a program with one or more non-Federal persons, including fleet operators, for cost-shared research, development, demonstration, or commercial application of an infrastructure and support systems program.

(b) Eligibility

A non-Federal person shall be eligible to receive financial assistance under this part only if such person demonstrates, to the satisfaction of the Secretary, that the person will conduct a substantial portion of activities under the project in the United States using domestic labor and materials.

(c) Coordination

Activities under this part shall be coordinated with activities under part A.

(Pub. L. 102-486, title VI, §621, Oct. 24, 1992, 106 Stat. 2904.)

§ 13292. Proposals

(a) Solicitation

Not later than one year after October 24, 1992, the Secretary shall solicit proposals from non-Federal persons, including fleet operators, for projects under this part. Within 240 days after proposals have been solicited, the Secretary shall select proposals.

(b) Criteria

(1) The Secretary shall provide financial assistance to no more than 10 projects under this part, unless the Secretary determines that the total amount of available funds is not likely to be otherwise used.

(2) The proposals selected by the Secretary shall, to the extent practicable, represent geographically and climatically diverse regions of the United States.

(3) The aggregate Federal financial assistance for each project under this part may not exceed \$4,000,000.

(c) Projects

The infrastructure and support systems programs for which projects are selected under this part may address—

- (1) the ability to service electric motor vehicles and to provide or service associated equipment;
- (2) the installation of charging facilities;
- (3) rates and cost recovery for electric utilities who invest in infrastructure capital-related expenditures;
- (4) the development of safety and health procedures and guidelines related to battery charging, watering, and emissions;
- (5) the conduct of information dissemination programs; and
- (6) such other subjects as the Secretary considers necessary in order to address the infrastructure and support systems needed to support the development and use of energy storage technologies, including advanced batteries, and the demonstration of electric motor vehicles.

(Pub. L. 102-486, title VI, §622, Oct. 24, 1992, 106 Stat. 2904.)

§ 13293. Protection of proprietary information

(a) In general

In the case of activities, including joint venture activities, under this subchapter, and in the case of any existing or future activities, including joint venture activities, related primarily to battery technology for electric motor vehicles under other provisions of law, where the knowledge resulting from research and development activities conducted pursuant to such activities, including joint venture activities, is for the benefit of the participants (particularly domestic companies) that provide financial resources to a project under this subchapter, the Secretary, for a period of up to 5 years after the development of information that—

- (1) results from research and development activities conducted under this subchapter; and
