

that the reduction is necessary and appropriate—

- (1) considering the technological risks involved in the project; and
- (2) in order to meet the objectives of this part.

(Pub. L. 102-486, title VI, §614, Oct. 24, 1992, 106 Stat. 2903.)

§ 13285. Reports to Congress

(a) Progress reports

The Secretary shall report annually to Congress on the progress being made, through demonstration projects supported under this part, to accelerate the development and use of electric motor vehicles.

(b) Report on encouraging purchase and use of electric motor vehicles

Within 18 months after October 24, 1992, the Secretary shall submit to the Congress a report on methods for encouraging the purchase and use of electric motor vehicles. Such report shall—

- (1) address the potential cost of purchasing and maintaining electric motor vehicles, including the initial cost of the batteries and the cost of replacement batteries;
- (2) identify methods for reducing, subsidizing, or sharing such costs; and
- (3) include recommendations for legislative and administrative measures to encourage the purchase and use of electric motor vehicles.

(Pub. L. 102-486, title VI, §615, Oct. 24, 1992, 106 Stat. 2903.)

§ 13286. Authorization of appropriations

There are authorized to be appropriated to the Secretary for purposes of this part \$50,000,000 for the 10-year period beginning with the first full fiscal year after October 24, 1992, to remain available until expended.

(Pub. L. 102-486, title VI, §616, Oct. 24, 1992, 106 Stat. 2903.)

PART B—ELECTRIC MOTOR VEHICLE INFRASTRUCTURE AND SUPPORT SYSTEMS DEVELOPMENT PROGRAM

§ 13291. General authority

(a) Program

The Secretary shall undertake a program with one or more non-Federal persons, including fleet operators, for cost-shared research, development, demonstration, or commercial application of an infrastructure and support systems program.

(b) Eligibility

A non-Federal person shall be eligible to receive financial assistance under this part only if such person demonstrates, to the satisfaction of the Secretary, that the person will conduct a substantial portion of activities under the project in the United States using domestic labor and materials.

(c) Coordination

Activities under this part shall be coordinated with activities under part A.

(Pub. L. 102-486, title VI, §621, Oct. 24, 1992, 106 Stat. 2904.)

§ 13292. Proposals

(a) Solicitation

Not later than one year after October 24, 1992, the Secretary shall solicit proposals from non-Federal persons, including fleet operators, for projects under this part. Within 240 days after proposals have been solicited, the Secretary shall select proposals.

(b) Criteria

(1) The Secretary shall provide financial assistance to no more than 10 projects under this part, unless the Secretary determines that the total amount of available funds is not likely to be otherwise used.

(2) The proposals selected by the Secretary shall, to the extent practicable, represent geographically and climatically diverse regions of the United States.

(3) The aggregate Federal financial assistance for each project under this part may not exceed \$4,000,000.

(c) Projects

The infrastructure and support systems programs for which projects are selected under this part may address—

- (1) the ability to service electric motor vehicles and to provide or service associated equipment;
- (2) the installation of charging facilities;
- (3) rates and cost recovery for electric utilities who invest in infrastructure capital-related expenditures;
- (4) the development of safety and health procedures and guidelines related to battery charging, watering, and emissions;
- (5) the conduct of information dissemination programs; and
- (6) such other subjects as the Secretary considers necessary in order to address the infrastructure and support systems needed to support the development and use of energy storage technologies, including advanced batteries, and the demonstration of electric motor vehicles.

(Pub. L. 102-486, title VI, §622, Oct. 24, 1992, 106 Stat. 2904.)

§ 13293. Protection of proprietary information

(a) In general

In the case of activities, including joint venture activities, under this subchapter, and in the case of any existing or future activities, including joint venture activities, related primarily to battery technology for electric motor vehicles under other provisions of law, where the knowledge resulting from research and development activities conducted pursuant to such activities, including joint venture activities, is for the benefit of the participants (particularly domestic companies) that provide financial resources to a project under this subchapter, the Secretary, for a period of up to 5 years after the development of information that—

- (1) results from research and development activities conducted under this subchapter; and

(2) would be a trade secret or commercial or financial information that is privileged or confidential if the information had been obtained from a participant,

shall, notwithstanding any other provision of law, provide appropriate protections against the dissemination of such information to the public, and the provisions of section 1905 of title 18 shall apply to such information. Nothing in this subsection provides protections against the dissemination of such information to Congress.

(b) “Domestic companies” defined

For purposes of subsection (a), the term “domestic companies” means entities which are substantially involved in the United States in the domestic production of motor vehicles for sale in the United States and have a substantial percentage of their production facilities in the United States.

(Pub. L. 102-486, title VI, §623, Oct. 24, 1992, 106 Stat. 2904.)

§ 13294. Compliance with existing law

Nothing in this subchapter shall be deemed to convey to any person, partnership, corporation, or other entity, immunity from civil or criminal liability under any antitrust law or to create defenses to actions under any antitrust law.

(Pub. L. 102-486, title VI, §624, Oct. 24, 1992, 106 Stat. 2905.)

§ 13295. Repealed. Pub. L. 105-362, title IV, § 401(b), Nov. 10, 1998, 112 Stat. 3282

Section, Pub. L. 102-486, title VI, §625, Oct. 24, 1992, 106 Stat. 2905, related to electric utility participation study.

§ 13296. Authorization of appropriations

There are authorized to be appropriated to the Secretary for purposes of this part \$40,000,000 for the 5-year period beginning with the first full fiscal year after October 24, 1992, to remain available until expended.

(Pub. L. 102-486, title VI, §626, Oct. 24, 1992, 106 Stat. 2905.)

SUBCHAPTER V—RENEWABLE ENERGY

§ 13311. Purposes

The purposes of this subchapter are to promote—

- (1) increases in the production and utilization of energy from renewable energy resources;
- (2) further advances of renewable energy technologies; and
- (3) exports of United States renewable energy technologies and services.

(Pub. L. 102-486, title XII, §1201, Oct. 24, 1992, 106 Stat. 2956.)

REFERENCES IN TEXT

This subchapter, referred to in text, was in the original “this title” meaning title XII of Pub. L. 102-486, Oct. 24, 1992, 106 Stat. 2956, which enacted this subchapter and amended sections 6276, 12001 to 12003, 12005, and 12006 of this title.

§ 13312. Renewable energy export technology training

(a) Establishment of program

The Secretary, through the Agency for International Development, shall establish a program for the training of individuals from developing countries in the operation and maintenance of renewable energy and energy efficiency technologies in accordance with this section. The Secretary and the Administrator of the Agency for International Development shall, within one year after October 24, 1992, enter into a written agreement to carry out this program.

(b) Purpose

The purpose of the program established under this section shall be to train appropriate persons in the system design, operation, and maintenance of renewable energy and energy efficiency equipment manufactured in the United States, including equipment for water pumping, heating and purification, and the production of electric power in remote areas.

(c) Authorization of appropriations

There are authorized to be appropriated to the Secretary \$6,000,000 for each of the fiscal years 1994, 1995, and 1996, to carry out this section.

§ 13313. Renewable Energy Advancement Awards

(a) Authority

The Secretary shall make Renewable Energy Advancement Awards in recognition of developments that advance the practical application of biomass, geothermal, hydroelectric, photovoltaic, solar thermal, ocean thermal, and wind technologies to consumer, utility, or industrial uses, in accordance with this section. Except as provided in subsection (f), Renewable Energy Advancement Awards shall include a cash award.

(b) Selection criteria

The Secretary, in consultation with the Advisory Committee on Demonstration and Commercial Application of Renewable Energy and Energy Efficiency Technologies (in this section referred to as the “Advisory Committee”), under section 12005 of this title, shall develop criteria to be applied in the selection of award recipients under this section. Such criteria shall include the following:

- (1) The degree to which the technological development increases the utilization of renewable energy.
- (2) The degree to which the development will have a significant impact, by benefitting a large number of people, by reducing the costs of an important industrial process or commercial product or service, or otherwise.
- (3) The ingenuity of the development.
- (4) Whether the application has significant export potential.
- (5) The environmental soundness of the development.

(c) Selection

Beginning in fiscal year 1994, and annually thereafter for a period of 10 years, the Sec-
