

**(2) Eligibility****(A) In general**

To be eligible to receive a scholarship under this section, an individual—

(i) must be a citizen of the United States, a national of the United States (as defined in section 1101(a) of title 8), an alien admitted as a refugee under section 1157 of title 8, or an alien lawfully admitted to the United States for permanent residence;

(ii) shall prepare and submit to the Director an application at such time, in such manner, and containing such information as the Director may require; and

(iii) shall certify to the Director that the individual intends to use amounts received under the scholarship to enroll or continue enrollment at an institution of higher education (as defined in section 1001(a) of title 20) in order to pursue an associate, undergraduate, or graduate level degree in mathematics, engineering, computer science, or other technology and science programs designated by the Director.

**(B) Ability**

Awards of scholarships under this section shall be made by the Director solely on the basis of the ability of the applicant, except that in any case in which 2 or more applicants for scholarships are deemed by the Director to be possessed of substantially equal ability, and there are not sufficient scholarships available to grant one to each of such applicants, the available scholarship or scholarships shall be awarded to the applicants in a manner that will tend to result in a geographically wide distribution throughout the United States of recipients' places of permanent residence.

**(3) Limitation**

The amount of a scholarship awarded under this section shall be determined by the Director, except that the Director shall not award a scholarship in an amount exceeding \$10,000 per year. The Director may renew scholarships for up to 4 years.

**(4) Funding**

The Director shall carry out this section only with funds made available under section 1356(s)(3) of title 8. The Director may use no more than 50 percent of such funds for undergraduate programs for curriculum development, professional and workforce development, and to advance technological education. Funds for these other programs may be used for purposes other than scholarships.

**(5) Federal Register**

Not later than 60 days after December 8, 2004, the Director shall publish in the Federal Register a list of eligible programs of study.

(Pub. L. 105-277, div. C, title IV, §414(d), Oct. 21, 1998, 112 Stat. 2681-653; Pub. L. 106-313, title I, §110(b), Oct. 17, 2000, 114 Stat. 1256; Pub. L. 108-447, div. J, title IV, §429, Dec. 8, 2004, 118 Stat. 3360.)

## REFERENCES IN TEXT

Section 1157 of title 8, referred to in par. (2)(A)(i), was in the original "section 207 of the Immigration and Na-

tionality", and was translated as reading section 207 of the Immigration and Nationality Act to reflect the probable intent of Congress.

## CODIFICATION

Section was enacted as part of the American Competitiveness and Workforce Improvement Act of 1998, and also as part of the Omnibus Consolidated and Emergency Supplemental Appropriations Act, 1999, and not as part of the National Science Foundation Act of 1950 which comprises this chapter.

## AMENDMENTS

2004—Par. (2)(A)(iii). Pub. L. 108-447, §429(a), substituted "computer science, or other technology and science programs designated by the Director" for "or computer science".

Par. (3). Pub. L. 108-447, §429(b), substituted "\$10,000 per year" for "\$3,125 per year".

Par. (4). Pub. L. 108-447, §429(c), inserted at end "The Director may use no more than 50 percent of such funds for undergraduate programs for curriculum development, professional and workforce development, and to advance technological education. Funds for these other programs may be used for purposes other than scholarships."

Par. (5). Pub. L. 108-447, §429(d), added par. (5).  
2000—Par. (3). Pub. L. 106-313 substituted "\$3,125 per year. The Director may renew scholarships for up to 4 years" for "\$2,500 per year."

## EFFECTIVE DATE OF 2004 AMENDMENT

Amendment by Pub. L. 108-447 effective 90 days after Dec. 8, 2004, see section 430(a) of Pub. L. 108-447, set out as a note under section 1182 of Title 8, Aliens and Nationality.

**§ 1870. General authority of Foundation**

The Foundation shall have the authority, within the limits of available appropriations, to do all things necessary to carry out the provisions of this chapter, including, but without being limited thereto, the authority—

(a) to prescribe such rules and regulations as it deems necessary governing the manner of its operations and its organization and personnel;

(b) to make such expenditures as may be necessary for administering the provisions of this chapter;

(c) to enter into contracts or other arrangements, or modifications thereof, for the carrying on, by organizations or individuals in the United States and foreign countries, including other government agencies of the United States and of foreign countries, of such scientific or engineering activities as the Foundation deems necessary to carry out the purposes of this chapter, and, at the request of the Secretary of State or Secretary of Defense, specific scientific or engineering activities in connection with matters relating to international cooperation or national security, and, when deemed appropriate by the Foundation, such contracts or other arrangements, or modifications thereof may be entered into without legal consideration, without performance or other bonds, and without regard to section 6101 of title 41;

(d) to make advance, progress, and other payments which relate to scientific or engineering activities without regard to the provisions of section 3324(a) and (b) of title 31;

(e) to acquire by purchase, lease, loan, gift, or condemnation, and to hold and dispose of by

grant, sale, lease, or loan, real and personal property of all kinds necessary for, or resulting from, the exercise of authority granted by this chapter;

(f) to receive and use funds donated by others, if such funds are donated without restriction other than that they be used in furtherance of one or more of the general purposes of the Foundation, except that funds may be donated for specific prize competitions for “basic research” as defined in the Office of Management and Budget Circular No. A-11;

(g) to publish or arrange for the publication of scientific and engineering information so as to further the full dissemination of information of scientific or engineering value consistent with the national interest, without regard to the provisions of section 501 of title 44;

(h) to accept and utilize the services of voluntary and uncompensated personnel and to provide transportation and subsistence as authorized by section 5703 of title 5 for persons serving without compensation;

(i) to prescribe, with the approval of the Comptroller General of the United States, the extent to which vouchers for funds expended under contracts for scientific or engineering research shall be subject to itemization or substantiation prior to payment, without regard to the limitations of other laws relating to the expenditure of public funds and accounting therefor;

(j) to arrange with and reimburse the heads of other Federal agencies for the performance of any activity which the Foundation is authorized to conduct; and

(k) during the 5-year period beginning on August 21, 1986, to indemnify grantees, contractors, and subcontractors associated with the Ocean Drilling Program under the provisions of section 2354 of title 10 with all approvals and certifications required by such indemnification made by the Director.

#### CONTINUATION OF EXISTING OFFICES, PROCEDURES, AND ORGANIZATION OF THE NATIONAL SCIENCE FOUNDATION

Amendment by Pub. L. 90-407 intended to continue in effect the existing offices, procedures, and organization of the Foundation, see section 16 of Pub. L. 90-407, set out as a note under section 1862 of this title.

#### MISREPRESENTATION OF RESEARCH RESULTS

Pub. L. 114-329, title I, § 115, Jan. 6, 2017, 130 Stat. 2994, provided that:

“(a) PROHIBITION.—The Director of the Foundation may revise the regulations under part 689 of title 45, Code of Federal Regulations (relating to research misconduct) to ensure that the findings and conclusions of any article authored by a principal investigator, using the results of research conducted under a Foundation grant, that is published in a peer-reviewed publication, made publicly available, or incorporated in an application for a research grant or grant extension from the Foundation, does not contain any falsification, fabrication, or plagiarism.

“(b) INTERAGENCY COMMUNICATION.—Upon a finding that research misconduct has occurred, the Foundation shall, in addition to any possible final action under section 689.3 of title 45, Code of Federal Regulations, notify other Federal science agencies of the finding.”

[For definitions of “Foundation” and “Federal science agency” as used in section 115 of Pub. L. 114-329, set out above, see section 2 of Pub. L. 114-329, set out as a note under section 1862s of this title.]

#### § 1870a. Buy-American requirements

##### (a) Award of contracts

The Director shall, to the maximum extent practicable and consistent with current law, award to domestic firms any contracts for the purchase of goods and services intended for direct use by the Foundation.

##### (b) Report

The Director shall, as soon as possible after October 31, 1988, prepare a report on—

(1) the number of Foundation contracts entered into with foreign firms in fiscal year 1988;

(2) the number of such contracts entered into with domestic firms in that fiscal year;

(3) the number of contracts entered into with foreign firms where the Foundation also received a technically acceptable bid from a domestic firm; and

(4) any steps the Foundation will take to increase the number of contracts awarded to domestic firms.
