(a) Development

The Administrator, in consultation with representatives of the mortgage and lending industry, the Federal entities for lending regulation, the Federal agency lenders, and any other appropriate individuals, shall develop a standard form for determining, in the case of a loan secured by improved real estate or a mobile home, whether the building or mobile home is located in an area identified by the Administrator as an area having special flood hazards and in which flood insurance under this chapter is available. The form shall be established by regulations issued not later than 270 days after September 23, 1994.

(1) Purpose

The form under subsection (a) shall be designed to facilitate compliance with the flood insurance purchase requirements of this chapter.
