

President, by and with the advice and consent of the Senate.

**(b) Compensation of Deputy Director**

The compensation of the Deputy Director shall be fixed by the President at a rate not in excess of the annual rate of compensation payable to the Deputy Director of the Office of Management and Budget.

**(c) Employment of personnel, experts, and consultants; compensation**

The Director is authorized to employ such officers and employees (including experts and consultants) as may be necessary to enable the Office to carry out its functions under this chapter and Public Law 91-190, except that he may employ no more than ten specialists and other experts without regard to the provisions of title 5, governing appointments in the competitive service, and pay such specialists and experts without regard to the provisions of chapter 51 and subchapter III of chapter 53 of such title relating to classification and General Schedule pay rates, but no such specialist or expert shall be paid at a rate in excess of the maximum rate for GS-18 of the General Schedule under section 5332 of title 5.

**(d) Duties and functions of Director**

In carrying out his functions the Director shall assist and advise the President on policies and programs of the Federal Government affecting environmental quality by—

(1) providing the professional and administrative staff and support for the Council on Environmental Quality established by Public Law 91-190;

(2) assisting the Federal agencies and departments in appraising the effectiveness of existing and proposed facilities, programs, policies, and activities of the Federal Government, and those specific major projects designated by the President which do not require individual project authorization by Congress, which affect environmental quality;

(3) reviewing the adequacy of existing systems for monitoring and predicting environmental changes in order to achieve effective coverage and efficient use of research facilities and other resources;

(4) promoting the advancement of scientific knowledge of the effects of actions and technology on the environment and encourage<sup>1</sup> the development of the means to prevent or reduce adverse effects that endanger the health and well-being of man;

(5) assisting in coordinating among the Federal departments and agencies those programs and activities which affect, protect, and improve environmental quality;

(6) assisting the Federal departments and agencies in the development and interrelationship of environmental quality criteria and standards established through the Federal Government;

(7) collecting, collating, analyzing, and interpreting data and information on environmental quality, ecological research, and evaluation.

<sup>1</sup> So in original. Probably should be "encouraging".

**(e) Authority of Director to contract**

The Director is authorized to contract with public or private agencies, institutions, and organizations and with individuals without regard to section 3324(a) and (b) of title 31 and section 6101 of title 41 in carrying out his functions.

#### CHAPTER 57—ENVIRONMENTAL POLLUTION STUDY

##### Sec.

4391. Congressional statement of findings.

4392. Presidential study.

4393. Report to Congress by President.

4394. Omitted.

4395. Authorization of appropriations.

##### § 4391. Congressional statement of findings

The Congress finds that there is general agreement that air, water, and other common environmental pollution may be hazardous to the health of individuals resident in the United States, but that despite the existence of various research papers and other technical reports on the health hazards of such pollution, there is no authoritative source of information about (1) the nature and gravity of these hazards, (2) the availability of medical and other assistance to persons affected by such pollution, especially when such pollution reaches emergency levels, and (3) the measures, other than those relating solely to abatement of the pollution, that may be taken to avoid or reduce the effects of such pollution on the health of individuals.

(Pub. L. 91-515, title V, §501(a), Oct. 30, 1970, 84 Stat. 1309.)

##### § 4392. Presidential study

The President shall immediately commence (1) a study of the nature and gravity of the hazards to human health and safety created by air, water, and other common environmental pollution, (2) a survey of the medical and other assistance available to persons affected by such pollution, especially when such pollution reaches emergency levels, and (3) a survey of the measures, other than those relating solely to abatement of the pollution, that may be taken to avoid or reduce the effects of such pollution on the health of individuals.

(Pub. L. 91-515, title V, §501(b), Oct. 30, 1970, 84 Stat. 1310.)

##### § 4393. Report to Congress by President

The President shall, within nine months of October 30, 1970, transmit to the Congress a report of the study and surveys required by section 4392 of this title, including (1) his conclusions regarding the nature and gravity of the hazards to human health and safety created by environmental pollution, (2) his evaluation of the medical and other assistance available to persons af-
