§ 4577. Grants and contracts for demonstration of new and more effective drug and alcohol abuse prevention, treatment, and rehabilitation programs

(a) Projects and programs

The Secretary, acting through the Institute, may make grants to public and nonprofit private entities and may enter into contracts with public and private entities and with individuals—

(1) to conduct demonstration and evaluation projects, with a high priority on prevention and early intervention projects in occupational and educational settings and on modi-

fied community living and work-care arrangements such as halfway houses, recovery homes, and supervised home care, and with particular emphasis on developing new and more effective alcohol abuse and alcoholism prevention, treatment, and rehabilitation programs,

(2) to support projects of a demonstrable value in developing methods for the effective coordination of all alcoholism treatment, training, prevention, and research resources available within a health service area established under section 300l¹ of this title, and

(3) to provide education and training, which may include additional training to enable treatment personnel to meet certification requirements of public or private accreditation or licensure, or requirements of third-party payors,

for the prevention and treatment of alcohol abuse and alcoholism and for the rehabilitation of alcohol abusers and alcoholics.

(b) Community participation

Projects and programs for which grants and contracts are made under this section shall (1) be responsive to special requirements of handicapped individuals in receiving such services; (2) whenever possible, be community based, seek (in the case of prevention and treatment services) to insure care of good quality in general community care facilities and under health insurance plans, and be integrated with, and provide for the active participation of, a wide range of public and nongovernmental agencies, organizations, institutions, and individuals; (3) where a substantial number of the individuals in the population served by the project or program are of limited English-speaking ability, utilize the services of outreach workers fluent in the language spoken by a predominant number of such individuals and develop a plan and make arrangements responsive to the needs of such population for providing services to the extent practicable in the language and cultural context most appropriate to such individuals, and identify an individual employed by the project or program, or who is available to the project or program on a full-time basis, who is fluent both in that language and English and whose responsibilities shall include providing guidance to the individuals of limited English speaking ability and to appropriate staff members with respect to cultural sensitivities and bridging linguistic and cultural differences; and (4) where appropriate utilize existing community resources (including community mental health centers).

(c) Application, coordination of applications in State, evaluation of projects and programs; review and recommendation by Council; criteria for approval; special consideration for underserved populations; authorization from chief executive officer required; maximum amount and duration of grants; applicant to provide proposed performance standards; drug abuse programs included

(1) In administering this section, the Secretary shall require coordination of all applications for projects and programs in a State.
