§ 294e. Allied health and other disciplines

(a) In general

The Secretary may make grants or contracts under this section to help entities fund activities of the type described in subsection (b).

(b) Activities

Activities of the type described in this subsection include the following:

(1) Assisting entities in meeting the costs associated with expanding or establishing programs that will increase the number of individuals trained in allied health professions. Programs and activities funded under this paragraph may include—

(A) those that expand enrollments in allied health professions with the greatest shortages or whose services are most needed by the elderly;

(B) those that provide rapid transition training programs in allied health fields to individuals who have baccalaureate degrees in health-related sciences;

(C) those that establish community-based allied health training programs that link academic centers to rural clinical settings;

(D) those that provide career advancement training for practicing allied health professionals;

(E) those that expand or establish clinical training sites for allied health professionals in medically underserved or rural communities in order to increase the number of individuals trained;

(F) those that develop curriculum that will emphasize knowledge and practice in the areas of prevention and health promotion, geriatrics, long-term care, home health and hospice care, and ethics;

(G) those that expand or establish interdisciplinary training programs that promote the effectiveness of allied health practitioners in geriatric assessment and the rehabilitation of the elderly;

(H) those that expand or establish demonstration centers to emphasize innovative models to link allied health clinical practice, education, and research;

(I) those that provide financial assistance (in the form of traineeships) to students who are participants in any such program; and

(i) who plan to pursue a career in an allied health field that has a demonstrated personnel shortage; and

(ii) who agree upon completion of the training program to practice in a medically underserved community;

that shall be utilized to assist in the payment of all or part of the costs associated with tuition, fees and such other stipends as the Secretary may consider necessary; and

(J) those to meet the costs of projects to plan, develop, and operate or maintain graduate programs in behavioral and mental health practice.

(2) Planning and implementing projects in preventive and primary care training for podiatric physicians in approved or provisionally approved residency programs that shall provide financial assistance in the form of traineeships to residents who participate in such projects and who plan to specialize in primary care.

(3) Carrying out demonstration projects in which chiropractors and physicians collaborate to identify and provide effective treatment for spinal and lower-back conditions.

L. 95-83, title III, §307(c)(3), (4), 91 Stat. 390; Dec. 19, 1977, Pub. L. 95-215, §4(e)(8), (9), 91 Stat. 1506; Aug. 13, 1981, Pub. L. 97-35, title XXVII, §2729, 95 Stat. 918; Oct. 22, 1985, Pub. L. 99-129, title II, §208(e), 99 Stat. 531; Nov. 4, 1988, Pub. L. 100-607, title VI, §602(g), 102 Stat. 3123, related to certificates of loan insurance, prior to the general amendment of this subchapter by Pub. L. 102-408. See section 292e of this title.

Another prior section 294e, act July 1, 1944, ch. 373, title VII, §744, formerly §745, as added Sept. 24, 1963, Pub. L. 88-129, §2(b), 77 Stat. 173; amended Nov. 18, 1971, Pub. L. 92-157, title I, §105(f)(2), 85 Stat. 451; renumbered §744, Oct. 12, 1976, Pub. L. 94-484, title IV, §406(a)(2), 90 Stat. 2268, which related to administrative provisions, was transferred to section 294q of this title.

§ 294e-1. Mental and behavioral health education and training grants

(a) Grants authorized

The Secretary may award grants to eligible institutions to support the recruitment of stu-

dents for, and education and clinical experience of the students in—

(1) accredited institutions of higher education or accredited professional training programs that are establishing or expanding internships or other field placement programs in mental health in psychiatry, psychology, school psychology, behavioral pediatrics, psychiatric nursing (which may include master's and doctoral level programs), social work, school social work, substance use disorder prevention and treatment, marriage and family therapy, occupational therapy, school counseling, or professional counseling, including such programs with a focus on child and adolescent mental health and transitional-age youth;

(2) accredited doctoral, internship, and post-doctoral residency programs of health service psychology (including clinical psychology, counseling, and school psychology) for the development and implementation of interdisciplinary training of psychology graduate students for providing behavioral health services, including substance use disorder prevention and treatment services, as well as the development of faculty in health service psychology;

(3) accredited master's and doctoral degree programs of social work for the development and implementation of interdisciplinary training of social work graduate students for providing behavioral health services, including substance use disorder prevention and treatment services, and the development of faculty in social work; and

(4) State-licensed mental health nonprofit and for-profit organizations to enable such organizations to pay for programs for preservice or in-service training in a behavioral health-related paraprofessional field with preference for preservice or in-service training of paraprofessional child and adolescent mental health workers.

(b) Eligibility requirements

To be eligible for a grant under this section, an institution shall demonstrate—

(1) an ability to recruit and place the students described in subsection (a) in areas with a high need and high demand population;

(2) participation in the institutions' programs of individuals and groups from different racial, ethnic, cultural, geographic, religious, linguistic, and class backgrounds, and different genders and sexual orientations;

(3) knowledge and understanding of the concerns of the individuals and groups described in paragraph (2), especially individuals with mental disorder symptoms or diagnoses, particularly children and adolescents, and transitional-age youth;

(4) any internship or other field placement program assisted under the grant will prioritize cultural and linguistic competency; and

(5) the institution will provide to the Secretary such data, assurances, and information as the Secretary may require.

(c) Institutional requirement

For grants awarded under paragraphs (2) and (3) of subsection (a), at least 4 of the grant recipients shall be historically black colleges or
