Children need and deserve the emotional and financial support of both their parents.

The Federal Government requires States and, through them, public and private employers to take actions necessary to ensure that monies in payment of child support obligations are withheld and transferred to the child's caretaker in an efficient and expeditious manner.

The Federal Government, through its civilian employees and Uniformed Services members, is the Nation's largest single employer and as such should set an example of leadership and encouragement in ensuring that all children are properly supported.

NOW, THEREFORE, by the authority vested in me as President by the Constitution and the laws of the United States of America, including section 301 of title 3, United States Code, it is hereby ordered as follows:
