

remains unobligated at the end of such year shall remain available to such State for obligation during the next fiscal year. No payment may be made to a State under this subchapter from allotments for a fiscal year for expenditures made after the following fiscal year.

**(c) Reduction of payments; fair market value of supplies or equipment, value of salaries, travel expenses, etc.**

The Secretary, at the request of a State, may reduce the amount of payments under subsection (a) by—

(1) the fair market value of any supplies or equipment furnished the State, and

(2) the amount of the pay, allowances, and travel expenses of any officer or employee of the Government when detailed to the State and the amount of any other costs incurred in connection with the detail of such officer or employee,

when the furnishing of supplies or equipment or the detail of an officer or employee is for the convenience of and at the request of the State and for the purpose of conducting activities described in section 705(a) of this title on a temporary basis. The amount by which any payment is so reduced shall be available for payment by the Secretary of the costs incurred in furnishing the supplies or equipment or in detailing the personnel, on which the reduction of the payment is based, and the amount shall be deemed to be part of the payment and shall be deemed to have been paid to the State.

**§ 704. Use of allotment funds**

**(a) Covered services**

Except as otherwise provided under this section, a State may use amounts paid to it under section 703 of this title for the provision of health services and related activities (including planning, administration, education, and evaluation and including payment of salaries and other related expenses of National Health Service Corps personnel) consistent with its application transmitted under section 705(a) of this title.

**(b) Restrictions**

Amounts described in subsection (a) may not be used for—

(1) inpatient services, other than inpatient services provided to children with special health care needs or to high-risk pregnant women and infants and such other inpatient services as the Secretary may approve;

(2) cash payments to intended recipients of health services;

(3) the purchase or improvement of land, the purchase, construction, or permanent improvement (other than minor remodeling) of any building or other facility, or the purchase of major medical equipment;

(4) satisfying any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds;

(5) providing funds for research or training to any entity other than a public or nonprofit private entity; or

(6) payment for any item or service (other than an emergency item or service) furnished—

(A) by an individual or entity during the period when such individual or entity is excluded under this subchapter or subchapter XVIII, XIX, or XX pursuant to section 1320a-7, 1320a-7a, 1320c-5, or 1395u(j)(2) of this title, or

(B) at the medical direction or on the prescription of a physician during the period when the physician is excluded under this subchapter or subchapter XVIII, XIX, or XX pursuant to section 1320a-7, 1320a-7a, 1320c-5, or 1395u(j)(2) of this title and when the person furnishing such item or service knew or had reason to know of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person).

The Secretary may waive the limitation contained in paragraph (3) upon the request of a State if the Secretary finds that there are extraordinary circumstances to justify the waiver and that granting the waiver will assist in carrying out this subchapter.

**(c) Use of portion of funds**

A State may use a portion of the amounts described in subsection (a) for the purpose of purchasing technical assistance from public or private entities if the State determines that such assistance is required in developing, implementing, and administering programs funded under this subchapter.

**(d) Limitation on use of funds for administrative costs**

Of the amounts paid to a State under section 703 of this title from an allotment for a fiscal year under section 702(c) of this title, not more than 10 percent may be used for administering the funds paid under such section.

§ 704b. Nonavailability of allotments after close of fiscal year

No allotment for this or any succeeding fiscal year under this subchapter shall be available after the close of such fiscal year except as may be necessary to liquidate obligations incurred during such year.

(July 5, 1952, ch. 575, title II, §201, 66 Stat. 368.)

CODIFICATION

Section is from act July 5, 1952, popularly known as the Federal Security Agency Appropriation Act, 1953,

and is not a part of the Social Security Act which comprises this chapter.

§ 705. Application for block grant funds

(a) In order to be entitled to payments for allotments under section 702 of this title for a fiscal year, a State must prepare and transmit to the Secretary an application (in a standardized form specified by the Secretary) that—

(1) contains a statewide needs assessment (to be conducted every 5 years) that shall identify (consistent with the health status goals and national health objectives referred to in section 701(a) of this title) the need for—

(A) preventive and primary care services for pregnant women, mothers, and infants up to age one;

(B) preventive and primary care services for children; and

(C) services for children with special health care needs (as specified in section 701(a)(1)(D) of this title);

(2) includes for each fiscal year—

(A) a plan for meeting the needs identified by the statewide needs assessment under paragraph (1); and

(B) a description of how the funds allotted to the State under section 702(c) of this title will be used for the provision and coordination of services to carry out such plan that shall include—

(i) subject to paragraph (3), a statement of the goals and objectives consistent with the health status goals and national health objectives referred to in section 701(a) of this title for meeting the needs specified in the State plan described in subparagraph (A);

(ii) an identification of the areas and localities in the State in which services are to be provided and coordinated;

(iii) an identification of the types of services to be provided and the categories or characteristics of individuals to be served; and

(iv) information the State will collect in order to prepare reports required under section 706(a) of this title;

(3) except as provided under subsection (b), provides that the State will use—

(A) at least 30 percent of such payment amounts for preventive and primary care services for children, and

(B) at least 30 percent of such payment amounts for services for children with special health care needs (as specified in section 701(a)(1)(D) of this title);

(4) provides that a State receiving funds for maternal and child health services under this subchapter shall maintain the level of funds being provided solely by such State for maternal and child health programs at a level at least equal to the level that such State provided for such programs in fiscal year 1989; and

(5) provides that—

(A) the State will establish a fair method (as determined by the State) for allocating funds allotted to the State under this subchapter among such individuals, areas, and localities identified under paragraph (1)(A)
