

the sums so appropriated for any fiscal year, the Secretary shall make allotments to the States on the basis of (1) population, (2) relative need for trained public welfare personnel, particularly for personnel to provide self-support and self-care services, and (3) financial need.

(c) Payments to States for cost of grant programs to certain agencies and institutions

From each State's allotment under subsection (b), the Secretary shall from time to time pay to such State its costs of carrying out the purposes of this section through (1) grants to public or other nonprofit institutions of higher learning for training personnel employed or preparing for employment in public assistance programs, (2) special courses of study or seminars of short duration conducted for such personnel by experts hired on a temporary basis for the purpose, and (3) establishing and maintaining, directly or through grants to such institutions, fellowships or traineeships for such personnel at such institutions, with such stipends and allowances as may be permitted under regulations of the Secretary.

(d) Advance payments to States

Payments pursuant to subsection (c) shall be made in advance on the basis of estimates by the Secretary and adjustments may be made in future payments under this section to take account of overpayments or underpayments in amounts previously paid.

(e) Reallotments

The amount of any allotment to a State under subsection (b) for any fiscal year which the State certifies to the Secretary will not be required for carrying out the purposes of this section in such State shall be available for reallotment from time to time, on such dates as the Secretary may fix, to other States which the Secretary determines have need in carrying out such purposes for sums in excess of those previously allotted to them under this section and will be able to use such excess amounts during such fiscal year; such reallotments to be made on the basis provided in subsection (b) for the initial allotments to the States. Any amount so reallotted to a State shall be deemed part of its allotment under such subsection.

(f) Direct grants to certain agencies and institutions

(1) The portion of the sums appropriated for any fiscal year which is determined by the Secretary under the first sentence of subsection (b) to be available for carrying out this subsection shall be available to enable him to provide (A) directly or through grants to or contracts with public or nonprofit private institutions of higher learning, for training personnel who are employed or preparing for employment in the administration of public assistance programs, (B) directly or through grants to or contracts with public or nonprofit private agencies or institutions, for special courses of study or seminars of short duration (not in excess of one year) for training of such personnel, and (C) directly or through grants to or contracts with public or nonprofit private institutions of higher learning, for establishing and maintaining fellow-

ships or traineeships for such personnel at such institutions, with such stipends and allowances as may be permitted by the Secretary.

(2) Payments under paragraph (1) may be made in advance on the basis of estimates by the Secretary, or may be made by way of reimbursement, and adjustments may be made in future payments under this subsection to take account of overpayments or underpayments in amounts previously paid.

(3) The Secretary may, to the extent he finds such action to be necessary, prescribe requirements to assure that any individual will repay the amount of his fellowship or traineeship received under this subsection to the extent such individual fails to serve, for the period prescribed by the Secretary, with a State or political subdivision thereof, or with the Federal Government, in connection with administration of any State or local public assistance program. The Secretary may relieve any individual of his obligation to so repay, in whole or in part, whenever and to the extent that requirement of such repayment would, in his judgment, be inequitable or would be contrary to the purposes of any of the public welfare programs established by this chapter.

APPLICABILITY OF REPEAL TO 1994 COUNCIL

Pub. L. 103-296, title I, §108(a)(2), Aug. 15, 1994, 108 Stat. 1481, provided in part that: "This paragraph [repealing this section] shall not apply with respect to the Advisory Council for Social Security appointed in 1994."

§ 907a. National Commission on Social Security

(a) Establishment; membership; Chairman and Vice Chairman; quorum; terms of office; vacancies; per diem and expense reimbursement; meetings

(1) There is established a commission to be known as the National Commission on Social Security (hereinafter referred to as the "Commission").

(2)(A) The Commission shall consist of—

(i) five members to be appointed by the President, by and with the advice and consent of the Senate, one of whom shall, at the time of appointment, be designated as Chairman of the Commission;

(ii) two members to be appointed by the Speaker of the House of Representatives; and

(iii) two members to be appointed by the President pro tempore of the Senate.

(B) At no time shall more than three of the members appointed by the President, one of the members appointed by the Speaker of the House of Representatives, or one of the members appointed by the President pro tempore of the Senate be members of the same political party.

(C) The membership of the Commission shall consist of individuals who are of recognized standing and distinction and who possess the demonstrated capacity to discharge the duties imposed on the Commission, and shall include representatives of the private insurance industry and of recipients and potential recipients of benefits under the programs involved as well as individuals whose capacity is based on a special knowledge or expertise in those programs. No individual who is otherwise an officer or full-time employee of the United States shall serve as a member of the Commission.

(D) The Chairman of the Commission shall designate a member of the Commission to act as Vice Chairman of the Commission.

(E) A majority of the members of the Commission shall constitute a quorum, but a lesser number may conduct hearings.

(F) Members of the Commission shall be appointed for a term which shall end on April 1, 1981.

(G) A vacancy in the Commission shall not affect its powers, but shall be filled in the same manner as that herein provided for the appointment of the member first appointed to the vacant position.

(3) Members of the Commission shall receive \$138 per diem while engaged in the actual performance of the duties vested in the Commission, plus reimbursement for travel, subsistence, and other necessary expenses incurred in the performance of such duties.

(4) The Commission shall meet at the call of the Chairman, or at the call of a majority of the members of the Commission; but meetings of the Commission shall be held not less frequently than once in each calendar month which begins after a majority of the authorized membership of the Commission has first been appointed.

(b) Continuing study, investigation, and review of social security program; scope of study, etc., and public participation

(1) It shall be the duty and function of the Commission to conduct a continuing study, investigation, and review of—

(A) the Federal old-age, survivors, and disability insurance program established by subchapter II of this chapter; and

(B) the health insurance programs established by subchapter XVIII of this chapter.

(2) Such study, investigation, and review of such programs shall include (but not be limited to)—

(A) the fiscal status of the trust funds established for the financing of such programs and the adequacy of such trust funds to meet the immediate and long-range financing needs of such programs;

(B) the scope of coverage, the adequacy of benefits including the measurement of an adequate retirement income, and the conditions of qualification for benefits provided by such programs including the application of the retirement income test to unearned as well as earned income;

(C) the impact of such programs on, and their relation to, public assistance programs, nongovernmental retirement and annuity programs, medical service delivery systems, and national employment practices;

(D) any inequities (whether attributable to provisions of law relating to the establishment and operation of such programs, to rules and regulations promulgated in connection with the administration of such programs, or to administrative practices and procedures employed in the carrying out of such programs) which affect substantial numbers of individuals who are insured or otherwise eligible for benefits under such programs, including inequities and inequalities arising out of marital status, sex, or similar classifications or categories;

(E) possible alternatives to the current Federal programs or particular aspects thereof, including but not limited to (i) a phasing out of the payroll tax with the financing of such programs being accomplished in some other manner (including general revenue funding and the retirement bond), (ii) the establishment of a system providing for mandatory participation in any or all of the Federal programs, (iii) the integration of such current Federal programs with private retirement programs, and (iv) the establishment of a system permitting covered individuals a choice of public or private programs or both;
