

(D) Requirements

Each investigator shall—

(i) be responsible for ensuring the investigator's profile is current and accurate; and

(ii) be assigned a unique identifier linked to the database and accessible to all Federal funding agencies.

(4) Centralized assurances repository

The Working Group shall—

(A) establish a central repository for all of the assurances required for Federal research grants; and

(B) provide guidance to institutions of higher education and Federal science agencies on the use of the centralized assurances repository.

(5) Comprehensive review**(A) In general**

The Working Group shall—

(i) conduct a comprehensive review of the mandated progress reports for federally funded research; and

(ii) develop a strategy to simplify investigator progress reports.

(B) Considerations

In developing the strategy, the Working Group shall consider limiting progress reports to performance outcomes.

(f) Consultation

In carrying out its responsibilities under subsection (e)(1), the Working Group shall consult with academic researchers outside the Federal Government, including—

(1) federally funded researchers;

(2) non-federally funded researchers;

(3) institutions of higher education and their representative associations;

(4) scientific and engineering disciplinary societies and associations;

(5) nonprofit research institutions;

(6) industry, including small businesses;

(7) federally funded research and development centers; and

(8) members of the public with a stake in ensuring effectiveness, efficiency, and accountability in the performance of scientific research.

(g) Reports

Not later than 1 year after January 6, 2017, and annually thereafter for 3 years, the Working Group shall submit to the appropriate committees of Congress a report on its responsibilities under this section, including a discussion of the considerations described in paragraphs (2)(B), (3)(B), and (5)(B) of subsection (e) and recommendations made under subsection (e)(1).

SHORT TITLE

For short title of this subchapter as the "Presidential Science and Technology Advisory Organization Act of 1976", see section 201 of Pub. L. 94-282, set out as a Short Title note under section 6601 of this title.

HIGH-RESOLUTION INFORMATION SYSTEM ADVISORY BOARD

Pub. L. 102-245, title V, §501, Feb. 14, 1992, 106 Stat. 22, authorized the Director of the Office of Science and Technology Policy to establish within that office a High-Resolution Information Systems Advisory Board to monitor and, as appropriate, foster the development and competitiveness of United States-based high-resolution information systems industries, further provided that "high-resolution information systems" means equipment and techniques required to create, store, recover, and play back high-resolution images and accompanying sound, further provided for functions of the Board, including provision of guidance and advice relating to establishment of such industries as well as transfer of Federal technologies to the private sector, further provided for membership and procedures of the Board, including submission of annual report of its activities to the President and Congress, and further provided for limitation on functions of Board and appropriations through fiscal year 1993.

§ 6612. Director; Associate Directors**(a) In general**

There shall be at the head of the Office a Director who shall be appointed by the President, by and with the advice and consent of the Senate, and who shall be compensated at the rate provided for level II of the Executive Schedule in section 5313 of title 5.

(b) Associate Directors

The President is authorized to appoint not more than four Associate Directors, by and with the advice and consent of the Senate, who shall be compensated at a rate not to exceed that provided for level III of the Executive Schedule in section 5314 of such title. Associate Directors shall perform such functions as the Director may prescribe.

(c) Chief Technology Officer

Subject to subsection (b), the President is authorized to designate 1 of the Associate Directors under that subsection as a United States Chief Technology Officer.
