

such customer from the Western Area Power Administration whenever the Administrator determines that such customer's activities are not consistent with the applicable integrated resource plan. The surcharge shall remain in effect until the Administrator determines that the customer's activities are consistent with the applicable integrated resource plan. The surcharge shall be increased to 20 percent if the customer's activities are out of compliance for more than one year and to 30 percent after more than 2 years, except that no surcharge shall be imposed if the customer demonstrates, to the satisfaction of the Administrator, that a good faith effort has been made to comply with the approved plan.

**(3) Reduction in power allocation**

In the case of any customer subject to a surcharge under paragraph (1) or (2), in lieu of imposing such surcharge the Administrator may reduce such customer's power allocation from the Western Area Power Administration by 10 percent. The Administrator shall provide by regulation the terms and conditions under which a power allocation terminated under this subsection may be reinstated.

**(f) Integrated resource planning cooperatives**

With the approval of the Administrator, customers within any State or region may form integrated resource planning cooperatives for the purposes of complying with sections 7275 to 7276c of this title, and such customers shall be allowed an additional 6 months to submit an initial integrated resource plan to the Administrator.

**(g) Customers with more than 1 contract**

If more than one long-term firm power service contract exists between the Administrator and a customer, only one integrated resource plan shall be required for that customer under sections 7275 to 7276c of this title.

**(h) Program review**

Within 1 year after January 1, 1999, and at appropriate intervals thereafter, the Administrator shall initiate a public process to review the program established by this section. The Administrator is authorized at that time to revise the criteria set forth in subsection (b) to reflect changes, if any, in technology, needs, or other developments.

CODIFICATION

Section was enacted as part of the Hoover Power Plant Act of 1984, and not as part of the Department of Energy Organization Act which comprises this chapter.

**§ 7276c. Miscellaneous provisions**

**(a) Environmental impact statement**

The provisions of the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.] shall apply to actions of the Administrator implementing sections 7275 to 7276c of this title in the same manner and to the same extent as such provisions apply to other major Federal actions significantly affecting the quality of the human environment.

**(b) Annual reports**

The Administrator shall include in the annual report submitted by the Western Area Power Administration (1) a description of the activities undertaken by the Administrator and by customers under sections 7275 to 7276c of this title and (2) an estimate of the energy savings and renewable resource benefits achieved as a result of such activities.

**(c) State regulated investor-owned utilities**

Any State regulated electric utility (as defined in section 2602(18) of title 16) shall be exempt from the provisions of sections 7275 to 7276c of this title.

**(d) Rural Electrification Administration requirements**

Nothing in sections 7275 to 7276c of this title shall require a customer to take any action inconsistent with a requirement imposed by the Rural Electrification Administration<sup>1</sup>
