(d) Submission of proposed application to Area Agency on Aging or other appropriate State agency

Prior to the submission of a final application for either new or renewed funding under this chapter for the provision of congregate services to elderly residents, a public housing agency and a nonprofit corporation shall present a copy of a proposed application to the Area Agency on Aging (or, where no Area Agency on Aging exists to the appropriate State agency under the Older Americans Act of 1965 [42 U.S.C. 3001 et seq.]) for review and comment. Such agency and nonprofit corporation shall consider such review and comment in the development of any final application for either new or renewed funding under this chapter.

(e) Nonelderly handicapped individuals as eligible project residents

(1) A public housing agency or nonprofit corporation applying for assistance to provide congregate services to nonelderly handicapped residents shall consult with the appropriate agency, if any, designated by applicable State law as having responsibility for the development, provision, or identification of social services to permanently disabled adults, for the purpose of determining the means of providing services under this chapter and of identifying alternative available sources of funding for such services.

(2) Such public housing agency and nonprofit corporation shall also, prior to the submission of a final application for either new or renewed funding under this chapter, present a copy of the proposed application to such appropriate agency for review and comment. The public housing agency and nonprofit corporation shall consider such review and comment in the development of any final application for either new or renewed funding under this chapter.

If any contract or lease entered into by a public housing agency or nonprofit corporation pursuant to subsection (f) of this section provides for adjustments in payments for services to reflect changes in the cost of living, then the amount of annual contribution required to be maintained by such public agency or nonprofit corporation under the preceding sentence shall be readjusted in the same manner.

(h) Fees for meal and other services

Each nonprofit corporation and public housing agency shall establish fees for meal service and other appropriate services provided to eligible project residents. When meal services are provided to other project residents, fees shall be reasonable and may not exceed the cost of providing the meal service.

(i) Standards for provision of services

The Secretary shall establish standards for the provision of services under this chapter, and, in developing such service standards, the Secretary shall consult with the Secretary of Health and Human Services and with appropriate organizations representing the elderly and handicapped, as determined by the Secretary.
