§ 887. Deposits for surveys of lands granted to railroads

When any railroad company claiming a grant of land under any Act of Congress, desiring to secure the survey of any unsurveyed lands within the limits of its grant, shall file an application therefor in writing with such officer as the Secretary of the Interior may designate, and deposit in a proper United States depository to the credit of the United States a sum sufficient to pay for such survey and for the examination thereof pursuant to law and the rules and regulations of the Department of the Interior under the direction of the Secretary of the Interior or such officer as he may designate, it shall thereupon be the duty of the Secretary or such officer, or the Director of the United States Geological Survey, as the case may be, to cause said lands to be surveyed.

The Secretary of the Interior shall provide such rules and regulations as may be necessary for carrying out the foregoing provisions.
