

Section 31343 provides that any person claiming a lien on a vessel covered by a preferred mortgage may record a notice of lien. This notice must state the nature of the lien, date it was established; the amount; and the name and address of the person claiming a lien, and it must be acknowledged. The Secretary must record a notice of lien if it complies with these requirements. When any part of the indebtedness is discharged, the claimant shall provide the Secretary with a written, acknowledged certificate of discharge of the indebtedness, and the Secretary shall record the certificate. This section makes no substantive change to law.

Section 31343(c) provides that, on the full and final discharge of an indebtedness that is the basis for a claim, the person having the claim shall provide the Secretary with an acknowledged certificate of discharge on the request of the Secretary or owner of the vessel. This subsection makes a substantive change to law by not requiring partial discharges to be filed, as well as making the filing of discharge certificates only at the request of the Secretary or owner of the vessel.

HOUSE FLOOR STATEMENT

Subsection (d) of this section requires a person claiming a lien on a vessel covered by a preferred mortgage under section 31322(d) to record and discharge the lien as provided by the law of the State in which the vessel is titled.

In the definition of “service contract”, the words “The contract may also specify provisions in the event of nonperformance on the part of any party” are omitted as unnecessary and inappropriate for a definition.

In the definition of “shipper”, the words “non-vessel-operating common carrier” are substituted for “ocean transportation intermediary, as defined in paragraph (17)(B) of this section” because paragraph (17)(B) contains a definition of “non-vessel-operating common carrier” which is restated as a separate definition.

The definition of “Commission” is omitted because the full name of the Federal Maritime Commission is used the first time the Commission is referred to in each section. The definition of “person” is omitted as unnecessary because of 1 U.S.C. 1. The definition of “United States” is omitted because the term is defined in chapter 1 of the revised title for purposes of the title.
