

“(A) On and after January 1, 2003, to any vessel built after that date.

“(B) On and after July 1, 2003, to any vessel built before the date referred to in subparagraph (A) that is—

“(i) a passenger vessel required to carry a certificate under the International Convention for the Safety of Life at Sea, 1974 (SOLAS) [see 33 U.S.C. 1602 and notes thereunder];

“(ii) a tanker; or

“(iii) a towing vessel engaged in moving a tank vessel.

“(C) On and after December 31, 2004, to all other vessels built before the date referred to in subparagraph (A).

“(2) DEFINITION.—The terms in this subsection have the same meaning as those terms have under section 2101 [now also 115] of title 46, United States Code.”

#### § 70115. Long-range vessel tracking system

Not later than April 1, 2007, the Secretary shall, consistent with international treaties, conventions, and agreements to which the United States is a party, develop and implement a long-range automated vessel tracking system for all vessels in United States waters that are equipped with the Global Maritime Distress and Safety System or equivalent satellite technology. The system shall be designed to provide the Secretary the capability of receiving information on vessel positions at interval positions appropriate to deter transportation security incidents. The Secretary may use existing maritime organizations to collect and monitor tracking information under the system.

(Added Pub. L. 107–295, title I, §102(a), Nov. 25, 2002, 116 Stat. 2083; amended Pub. L. 108–293, title VIII, §803(b), Aug. 9, 2004, 118 Stat. 1080; Pub. L. 109–347, title I, §107(a), Oct. 13, 2006, 120 Stat. 1891.)

#### AMENDMENTS

2006—Pub. L. 109–347, in first sentence, substituted “Not later than April 1, 2007, the Secretary” for “The Secretary”.

2004—Pub. L. 108–293, in first sentence, substituted “shall, consistent with international treaties, conventions, and agreements to which the United States is a party,” for “may”.

#### REGULATIONS

Pub. L. 109–347, title I, §107(b), Oct. 13, 2006, 120 Stat. 1891, provided that: “The Secretary [of Homeland Security] may issue regulations to establish a voluntary long-range automated vessel tracking system for vessels described in section 70115 of title 46, United States Code, during the period before regulations are issued under such section.”

#### LONG-RANGE VESSEL TRACKING SYSTEM

Pub. L. 109–241, title IV, §404, July 11, 2006, 120 Stat. 535, provided that:

“(a) PILOT PROJECT.—The Secretary of the department in which the Coast Guard is operating, acting through the Commandant of the Coast Guard, shall conduct a 3-year pilot program for long-range tracking of up to 2,000 vessels using satellite systems with a non-profit maritime organization that has a demonstrated capability of operating a variety of satellite communications systems providing data to vessel tracking software and hardware that provides long-range vessel information to the Coast Guard to aid maritime security and response to maritime emergencies.

“(b) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Secretary \$4,000,000

for each of fiscal years 2006, 2007, and 2008 to carry out subsection (a).”

#### § 70116. Secure systems of transportation

(a) IN GENERAL.—The Secretary, in consultation with the Transportation Security Oversight Board, shall establish a program to evaluate and certify secure systems of international intermodal transportation.

(b) ELEMENTS OF PROGRAM.—The program shall include—

(1) establishing standards and procedures for screening and evaluating cargo prior to loading in a foreign port for shipment to the United States either directly or via a foreign port;

(2) establishing standards and procedures for securing cargo and monitoring that security while in transit;

(3) developing performance standards to enhance the physical security of shipping containers, including standards for seals and locks;

(4) establishing standards and procedures for allowing the United States Government to ensure and validate compliance with this program; and

(5) any other measures the Secretary considers necessary to ensure the security and integrity of international intermodal transport movements.

(Added Pub. L. 107–295, title I, §102(a), Nov. 25, 2002, 116 Stat. 2083.)

#### REPORT ON SECURE SYSTEM OF TRANSPORTATION PROGRAM

Pub. L. 107–295, title I, §110(c), Nov. 25, 2002, 116 Stat. 2092, provided that:

“Within 1 year after the secure system of transportation program is implemented under section 70116 of title 46, United States Code, as amended by this Act, the Secretary of the department in which the Coast Guard is operating shall transmit a report to the Senate Committees on Commerce, Science, and Transportation and Finance and the House of Representatives Committees on Transportation and Infrastructure and Ways and Means that—

“(1) evaluates the secure system of transportation program and its components;

“(2) states the Secretary’s view as to whether any procedure, system, or technology evaluated as part of the program offers a higher level of security than requiring imported goods to clear customs under existing procedures and for the requirements of the National Maritime Security Plan for reopening of United States ports to commerce;

“(3) states the Secretary’s view as to the integrity of the procedures, technology, or systems evaluated as part of the program;

“(4) makes a recommendation with respect to whether the program, or any procedure, system, or technology should be incorporated in a nationwide system for preclearance of imports of waterborne goods and for the requirements of the National Maritime Security Plan for the reopening of United States ports to Commerce;

“(5) describes the impact of the program on staffing levels at the department in which the Coast Guard is operating, and the Customs Service; and

“(6) states the Secretary’s views as to whether there is a method by which the United States could validate foreign ports so that cargo from those ports is preapproved for entry into the United States and for the purpose of the requirements of the National Maritime Security Plan for the reopening of United States ports to commerce.”
