(B) The Secretary shall provide for close coordination with the Commission in the administration of the responsibilities of the Secretary under this subsection which are of interest to or affect the functions of the Commission so that, to the maximum extent possible consistent with the enforcement responsibilities of each, the reporting requirements of public telecommunications entities shall be uniformly based upon consistent definitions and categories of information.

(3)(A) The Corporation shall incorporate into each grant agreement or contract with any recipient entered into on or after the effective date of the rules and regulations prescribed by the Secretary pursuant to paragraph (2)(A), a statement indicating that, as a material part of the terms and conditions of the grant agreement or contract, the recipient will comply with the provisions of paragraph (1) and the rules and regulations prescribed pursuant to paragraph (2)(A).
