HISTORICAL AND REVISION NOTES

This section amends chapter 55 of title 5, United States Code, by inserting a new section 5534a. This section is based on subsections (a) and (f) of former 5 U.S.C. 61a-1 the source statute for which (act of Nov. 21, 1945, ch. 489, 59 Stat. 584) was repealed by the act of September 6, 1966, Public Law 89-554 (sec. 8, 80 Stat. 653). Senate Report 1380, 89th Congress, second session, pages 449, 511, explains that the source was repealed since it had been rendered obsolete by section 4(c) of the Armed Forces Leave Act of 1946, as amended (37 U.S.C. 501), and section 219(c) of the Public Health Service Act, as added August 9, 1950 (ch. 654, sec. 2, 64 Stat. 426; 42 U.S.C. 210-1(c)), and that any existing rights are preserved by section 8 of Public Law 89-554.

At the time of enactment of the act of November 21, 1945, there was no authority to make lump-sum leave payments to members of the uniformed services who were being separated from or released from active duty in the uniformed services. Accordingly, they were placed on terminal leave until the expiration of the unused portion of their accumulated and current accrued leave, and only then separated or released. The act of November 21, 1945, in part, authorized the employment of these members during terminal leave and provided they were entitled to receive, in addition to the payment from the employment, military pay and allowances for the unexpired portion of the terminal leave. The Armed Forces Leave Act of 1946 authorized lump-sum leave payments of unused accumulated and current accrued leave. Generally, thereafter, members of the uniformed services were not placed on terminal leave, but were separated and paid a lump-sum leave payment. However, in certain instances a member may

be placed on terminal leave. Such a case was considered recently by the Comptroller General of the United States (see B-157500, Oct. 13, 1965, 45 Comp. Gen. 180. In view of the foregoing, it is concluded that subsection (a) of former 5 U.S.C. 61a-1 had prospective effect and should have been reenacted in title 5, U.S.C., by Public Law 89-554.

In section 5534a, the words "A member of a uniformed service who has performed active service" are substituted for "Any person, who, shall have performed active service in the Armed Forces" to conform to the style of title 5 and the definition of "uniformed services" in 5 U.S.C. 2101 which is coextensive with the definition of "armed forces" in subsection (f) of former 5 U.S.C. 61a-1. Reorganization Plan No. 2 of 1965 (79 Stat. 1318), effective July 13, 1965, consolidated the Coast and Geodetic Survey and the Weather Bureau to form a new agency in the Department of Commerce to be known as the Environmental Science Services Administration. The words "subsequent to May 1, 1940" are omitted as executed. The word "territories" is substituted for "Territories" inasmuch as there now are no incorporated territories. The words "(including any corporation created under authority of an act of Congress which is either wholly controlled or wholly owned by the Government of the United States, or any department, agency, or establishment thereof, whether or not the employees thereof are paid from funds appropriated by Congress)" are omitted as included in "a civilian office or position in the Government of the United States". The word "pay" is substituted for "compensation."

AMENDMENTS

2006—Pub. L. 109-364 inserted at end "Such a member also is entitled to accrue annual leave with pay in the manner specified in section 6303(a) of this title for a retired member of a uniformed service."
