The word “personal” is added before the word “effects” for clarity and to preserve consistency throughout this subchapter. The words “employees of the United States . . . and members of the uniformed services” are substituted for “military personnel and civilian employees of departments and agencies of the Federal Government”. The words “a volunteer as defined by section 8142(a) of this title” are based on sections 2504(a), 2505, and 2507 (a) of title 22. The words “pursuant to law” are omitted as unnecessary.

Standard changes are made to conform with the definitions applicable and the style of this title as outlined in the preface to the report.

## AMENDMENTS

1998—Pub. L. 105-264 substituted “Government” for “United States” in introductory provisions.
