SUBCHAPTER I—BUDGET AND OVERSIGHT

§ 3301. Multiyear national intelligence program

(a) Annual submission of multiyear national intelligence program

The Director of National Intelligence shall submit to the congressional committees specified in subsection (d) each year a multiyear national intelligence program plan reflecting the estimated expenditures and proposed appropriations required to support that program. Any such multiyear national intelligence program plan shall cover the fiscal year with respect to which the budget is submitted and at least four succeeding fiscal years.

(b) Time of submission

The Director of National Intelligence shall submit the report required by subsection (a) each year at or about the same time that the budget is submitted to Congress pursuant to section 1105(a) of title 31.

(c) Consistency with budget estimates

The Director of National Intelligence and the Secretary of Defense shall ensure that the estimates referred to in subsection (a) are consistent with the budget estimates submitted to Congress pursuant to section 1105(a) of title 31 for the fiscal year concerned and with the estimated expenditures and proposed appropriations for the future-years defense program submitted pursuant to section 221 of title 10.

(d) Specified congressional committees

The congressional committees referred to in subsection (a) are the following:

(1) The Committee on Armed Services, the Committee on Appropriations, and the Select Committee on Intelligence of the Senate.

(2) The Committee on Armed Services, the Committee on Appropriations, and the Permanent Select Committee on Intelligence of the House of Representatives.

TRANSFER OF FUNCTIONS

Reference to the Director of Central Intelligence or the Director of the Central Intelligence Agency in the Director’s capacity as the head of the intelligence community deemed to be a reference to the Director of National Intelligence. Reference to the Director of Central Intelligence or the Director of the Central Intelligence Agency in the Director’s capacity as the head of the Central Intelligence Agency deemed to be a reference to the Director of the Central Intelligence Agency. See section 1081(a), (b) of Pub. L. 108-458, set out as a note under section 3001 of this title.

§ 3303. Construction of intelligence community facilities; Presidential authorization

(a) No project for the construction of any facility, or improvement to any facility, having an estimated Federal cost in excess of \$300,000, may be undertaken in any fiscal year unless spe-

cifically identified as a separate item in the President’s annual fiscal year budget request or otherwise specifically authorized and appropriated if such facility or improvement would be used primarily by personnel of the intelligence community.

(b) As used in this section, the term “intelligence community” has the same meaning given that term in section 3003(4) of this title.

§ 3304. Limitation on construction of facilities to be used primarily by intelligence community

(a) In general

(1) In general

Except as provided in subsection (b), no project for the construction of any facility to be used primarily by personnel of any component of the intelligence community which has an estimated Federal cost in excess of \$5,000,000 may be undertaken in any fiscal year unless such project is specifically identified as a separate item in the President’s annual fiscal year budget request and is specifically authorized by the Congress.

(2) Notification

In the case of a project for the construction of any facility to be used primarily by personnel of any component of the intelligence community which has an estimated Federal cost greater than \$1,000,000 but less than \$5,000,000, or where any project for the improvement, repair, or modification of such a facility has an estimated Federal cost greater than \$1,000,000, the Director of National Intelligence shall submit a notification to the intelligence committees specifically identifying such project.

(b) Exception

(1) In general

Notwithstanding subsection (a) but subject to paragraphs (2) and (3), a project for the construction of a facility to be used primarily by personnel of any component of the intelligence community may be carried out if the Secretary of Defense and the Director of National Intelligence jointly determine—

(A) that the project is vital to the national security or to the protection of health, safety, or the quality of the environment, and

(B) that the requirement for the project is so urgent that deferral of the project for inclusion in the next Act authorizing appropriations for the intelligence community would be inconsistent with national security or the protection of health, safety, or environmental quality, as the case may be.

(2) Report

(A) When a decision is made to carry out a construction project under this subsection, the Secretary of Defense and the Director of National Intelligence jointly shall submit a report in writing to the appropriate committees
