

of Congress on that decision. Each such report shall include (i) the justification for the project and the current estimate of the cost of the project, (ii) the justification for carrying out the project under this subsection, and (iii) a statement of the source of the funds to be used to carry out the project. The project may then be carried out only after the end of the 7-day period beginning on the date the notification is received by such committees.

(B) Notwithstanding subparagraph (A), a project referred to in paragraph (1) may begin on the date the notification is received by the appropriate committees of Congress under that paragraph if the Director of National Intelligence and the Secretary of Defense jointly determine that—

- (i) an emergency exists with respect to the national security or the protection of health, safety, or environmental quality; and
- (ii) any delay in the commencement of the project would harm any or all of those interests.

(3) Projects primarily for CIA

If a project referred to in paragraph (1) is primarily for the Central Intelligence Agency, the Director of the Central Intelligence Agency shall make the determination and submit the report required by paragraphs (1) and (2).

(4) Limitation

A project carried out under this subsection shall be carried out within the total amount of funds appropriated for intelligence and intelligence-related activities that have not been obligated.

(c) Application

This section shall not apply to any project which is subject to subsection (a)(1)(A) or (c) of section 601.
