- (3) Regulations issued pursuant to paragraphs (2)(C) and (2)(F) shall not provide exceptions from paragraphs (1)(B) and (1)(C).

#### (b) Foreign policy controls

- (1) In addition to the regulations issued pursuant to subsection (a) of this section, regulations issued under section 4605 of this title shall implement the policies set forth in section 4602(5) of this title.
- (2) Such regulations shall require that any United States person receiving a request for the furnishing of information, the entering into or implementing of agreements, or the taking of any other action referred to in section 4602(5) of this title shall report that fact to the Secretary, together with such other information concerning such request as the Secretary may require for such action as the Secretary considers appropriate for carrying out the policies of that section. Such person shall also report to the Secretary whether such person intends to comply and whether such person has complied with such request. Any report filed pursuant to this

paragraph shall be made available promptly for public inspection and copying, except that information regarding the quantity, description, and value of any goods or technology to which such report relates may be kept confidential if the Secretary determines that disclosure thereof would place the United States person involved at a competitive disadvantage. The Secretary shall periodically transmit summaries of the information contained in such reports to the Secretary of State for such action as the Secretary of State, in consultation with the Secretary considers appropriate for carrying out the policies set forth in section 4602(5) of this title.

#### (c) Preemption

The provisions of this section and the regulations issued pursuant thereto shall preempt any law, rule, or regulation of any of the several States or the District of Columbia, or any of the territories or possessions of the United States, or of any governmental subdivision thereof, which law, rule, or regulation pertains to participation in, compliance with, implementation of, or the furnishing of information regarding restrictive trade practices or boycotts fostered or imposed by foreign countries against other countries.

### DELEGATION OF FUNCTIONS

# § 4608. Procedures for hardship relief from export controls

#### (a) Filing of petitions

Any person who, in such person's domestic manufacturing process or other domestic business operation, utilizes a product produced abroad in whole or in part from a good historically obtained from the United States but which has been made subject to export controls, or any person who historically has exported such a good, may transmit a petition of hardship to the Secretary requesting an exemption from such controls in order to alleviate any unique hardship resulting from the imposition of such controls. A petition under this section shall be in such form as the Secretary shall prescribe and shall contain information demonstrating the need for the relief requested.

## (b) Decision of Secretary

Not later than 30 days after receipt of any petition under subsection (a), the Secretary shall

transmit a written decision to the petitioner granting or denying the requested relief. Such decision shall contain a statement setting forth the Secretary's basis for the grant or denial. Any exemption granted may be subject to such conditions as the Secretary considers appropriate.

#### (c) Factors to be considered

For purposes of this section, the Secretary's decision with respect to the grant or denial of relief from unique hardship resulting directly or indirectly from the imposition of export controls shall reflect the Secretary's consideration of factors such as the following:

- (1) Whether denial would cause a unique hardship to the petitioner which can be alleviated only by granting an exception to the applicable regulations. In determining whether relief shall be granted, the Secretary shall take into account—
  - (A) ownership of material for which there is no practicable domestic market by virtue of the location or nature of the material;
  - (B) potential serious financial loss to the applicant if not granted an exception;
  - (C) inability to obtain, except through import, an item essential for domestic use which is produced abroad from the good under control;
  - (D) the extent to which denial would conflict, to the particular detriment of the applicant, with other national policies including those reflected in any international agreement to which the United States is a party;
  - (E) possible adverse effects on the economy (including unemployment) in any locality or region of the United States; and
  - (F) other relevant factors, including the applicant's lack of an exporting history during any base period that may be established with respect to export quotas for the particular good.
- (2) The effect a finding in favor of the applicant would have on attainment of the basic objectives of the short supply control program.

In all cases, the desire to sell at higher prices and thereby obtain greater profits shall not be considered as evidence of a unique hardship, nor will circumstances where the hardship is due to imprudent acts or failure to act on the part of the petitioner.

- (3) return the application without action if the application is improperly completed or if additional information is required, with sufficient information to permit the application to be properly resubmitted, in which case if such application is resubmitted, it shall be treated as a new application for the purpose of calculating the time periods prescribed in this section:
- (4) determine whether it is necessary to refer the application to any other department or agency and, if such referral is determined to be necessary, inform the applicant of any such department or agency to which the application will be referred; and
- (5) determine whether it is necessary to submit the application to a multilateral review process, pursuant to a multilateral agreement, formal or informal, to which the United States is a party and, if so, inform the applicant of this requirement.

## (c) Action on certain applications

Except as provided in subsection (o), in each case in which the Secretary determines that it is not necessary to refer an application to any other department or agency for its information and recommendations, a license shall be formally issued or denied within 60 days after a properly completed application has been submitted pursuant to this section.

## (d) Referral to other departments and agencies

Except in the case of exports described in subsection (o), in each case in which the Secretary
