REFERENCES IN TEXT

Section 1101 of the Strom Thurmond National Defense Authorization Act for Fiscal Year 1999, referred to in subsec. (b)(6), is section 1101 of Pub. L. 105-261, which was formerly set out as a note under section 3104 of Title 5, Government Organization and Employees, prior to repeal by Pub. L. 114-328, div. A, title XI, §1121(b), Dec. 23, 2016, 130 Stat. 2452. See section 1599h of Title 10, Armed Forces.

AMENDMENTS

2015—Subsec. (b)(3)(D). Pub. L. 114-22 added subpar. (D).

§ 188. Conduct of research, development, demonstration, testing and evaluation

(a) In general

The Secretary, acting through the Under Secretary for Science and Technology, shall carry out the responsibilities under section 182(4) of this title through both extramural and intramural programs.

(b) Extramural programs

(1) In general

The Secretary, acting through the Under Secretary for Science and Technology, shall operate extramural research, development, demonstration, testing, and evaluation programs so as to—

- (A) ensure that colleges, universities, private research institutes, and companies (and consortia thereof) from as many areas of the United States as practicable participate;
- (B) ensure that the research funded is of high quality, as determined through merit review processes developed under section 182(14) of this title; and
- (C) distribute funds through grants, cooperative agreements, and contracts.

(2) University-based centers for homeland security

(A) Designation

The Secretary, acting through the Under Secretary for Science and Technology, shall designate a university-based center or several university-based centers for homeland security. The purpose of the center or these centers shall be to establish a coordinated, university-based system to enhance the Nation's homeland security.

(B) Criteria for designation

Criteria for the designation of colleges or universities as a center for homeland security, shall include, but are not limited to, demonstrated expertise in—

- (i) The training of first responders.
- (ii) Responding to incidents involving weapons of mass destruction and biological warfare.
- (iii) Emergency and diagnostic medical services.
- (iv) Chemical, biological, radiological, and nuclear countermeasures or detection.

(v) Animal and plant health and diagnostics.

(vi) Food safety.

(vii) Water and wastewater operations.

(viii) Port and waterway security.

(ix) Multi-modal transportation.

(x) Information security and information engineering.

(xi) Engineering.

(xii) Educational outreach and technical assistance.

(xiii) Border transportation and security.

(xiv) The public policy implications and public dissemination of homeland security related research and development.

(C) Discretion of Secretary

To the extent that exercising such discretion is in the interest of homeland security, and with respect to the designation of any given university-based center for homeland security, the Secretary may except certain criteria as specified in subparagraph (B) and consider additional criteria beyond those specified in subparagraph (B). Upon designation of a university-based center for homeland security, the Secretary shall that day publish in the Federal Register the criteria that were excepted or added in the selection process and the justification for the set of criteria that were used for that designation.

(D) Report to Congress

The Secretary shall report annually, from the date of enactment, to Congress concerning the implementation of this section. That report shall indicate which center or centers have been designated and how the designation or designations enhance homeland security, as well as report any decisions to revoke or modify such designations.

(E) Authorization of appropriations

There are authorized to be appropriated such sums as may be necessary to carry out this paragraph.

(c) Intramural programs

(1) Consultation

In carrying out the duties under section 182 of this title, the Secretary, acting through the Under Secretary for Science and Technology, may draw upon the expertise of any laboratory of the Federal Government, whether operated by a contractor or the Government.

(2) Laboratories

The Secretary, acting through the Under Secretary for Science and Technology, may establish a headquarters laboratory for the Department at any laboratory or site and may establish additional laboratory units at other laboratories or sites.

(3) Criteria for headquarters laboratory

If the Secretary chooses to establish a headquarters laboratory pursuant to paragraph (2), then the Secretary shall do the following:

- (A) Establish criteria for the selection of the headquarters laboratory in consultation with the National Academy of Sciences, appropriate Federal agencies, and other experts.

(B) Publish the criteria in the Federal Register.

(C) Evaluate all appropriate laboratories or sites against the criteria.

(D) Select a laboratory or site on the basis of the criteria.

(E) Report to the appropriate congressional committees on which laboratory was selected, how the selected laboratory meets the published criteria, and what duties the headquarters laboratory shall perform.

(4) Limitation on operation of laboratories

No laboratory shall begin operating as the headquarters laboratory of the Department until at least 30 days after the transmittal of the report required by paragraph (3)(E).

The date of enactment, referred to in subsec. (b)(2)(D), probably means the date of enactment of this section by Pub. L. 107-296, which was approved Nov. 25, 2002.

AMENDMENTS

2003—Subsecs. (a) to (c)(1). Pub. L. 108-7 added subsecs. (a) to (c)(1) and struck out former subsecs. (a) to (c)(1) which related to the responsibilities of the Secretary, acting through the Under Secretary for Science and Technology, to carry out the responsibilities under section 182(4) of this title through both extramural and intramural programs, to operate extramural research, development, demonstration, testing, and evaluation programs, to establish a coordinated, university-based system to enhance the Nation's homeland security, and to draw upon the expertise of any laboratory of the Federal Government.

§ 189. Utilization of Department of Energy national laboratories and sites in support of homeland security activities

(a) Authority to utilize national laboratories and sites

(1) In general

In carrying out the missions of the Department, the Secretary may utilize the Department of Energy national laboratories and sites through any 1 or more of the following methods, as the Secretary considers appropriate:

(A) A joint sponsorship arrangement referred to in subsection (b).

(B) A direct contract between the Department and the applicable Department of Energy laboratory or site, subject to subsection (c).

(C) Any “work for others” basis made available by that laboratory or site.

(D) Any other method provided by law.

(2) Acceptance and performance by labs and sites

Notwithstanding any other law governing the administration, mission, use, or operations of any of the Department of Energy national laboratories and sites, such laboratories and sites are authorized to accept and perform work for the Secretary, consistent with resources provided, and perform such work on an equal basis to other missions at the laboratory

and not on a noninterference basis with other missions of such laboratory or site.

(b) Joint sponsorship arrangements

(1) Laboratories

The Department may be a joint sponsor, under a multiple agency sponsorship arrangement with the Department of Energy, of 1 or more Department of Energy national laboratories in the performance of work.

(2) Sites

The Department may be a joint sponsor of a Department of Energy site in the performance of work as if such site were a federally funded research and development center and the work were performed under a multiple agency sponsorship arrangement with the Department.

(3) Primary sponsor

The Department of Energy shall be the primary sponsor under a multiple agency sponsorship arrangement referred to in paragraph (1) or (2).

(4) Lead agent

The Secretary of Energy shall act as the lead agent in coordinating the formation and performance of a joint sponsorship arrangement under this subsection between the Department and a Department of Energy national laboratory or site.

(5) Federal Acquisition Regulation

Any work performed by a Department of Energy national laboratory or site under a joint sponsorship arrangement under this subsection shall comply with the policy on the use of federally funded research and development centers under the Federal Acquisition Regulations.

(6) Funding

The Department shall provide funds for work at the Department of Energy national laboratories or sites, as the case may be, under a joint sponsorship arrangement under this subsection under the same terms and conditions as apply to the primary sponsor of such national laboratory under section 3303(a)(1)(C) of title 41 or of such site to the extent such section applies to such site as a federally funded research and development center by reason of this subsection.

(c) Separate contracting

To the extent that programs or activities transferred by this chapter from the Department of Energy to the Department of Homeland Security are being carried out through direct contracts with the operator of a national laboratory or site of the Department of Energy, the Secretary of Homeland Security and the Secretary of Energy shall ensure that direct contracts for such programs and activities between the Department of Homeland Security and such operator are separate from the direct contracts of the Department of Energy with such operator.

(d) Authority with respect to cooperative research and development agreements and licensing agreements

In connection with any utilization of the Department of Energy national laboratories and
