

of the Public Health Service Act, to reflect the probable intent of Congress.

Section 403-4 of title 50, referred to in subsec. (d)(1), was repealed and a new section 403-4 enacted by Pub. L. 108-458, title I, § 1011(a), Dec. 17, 2004, 118 Stat. 3660, and subsequently editorially reclassified to section 3035 of Title 50, War and National Defense; as so enacted, section 3035 no longer relates to promulgation of standards and qualifications for the performance of intelligence activities.

Part A of subchapter II of this chapter, referred to in subsec. (d)(2), was in the original “subtitle A of title II”, meaning subtitle A of title II of Pub. L. 107-296, Nov. 25, 2002, 116 Stat. 2145, which is classified generally to part A (§121 et seq.) of subchapter II of this chapter. For complete classification of part A to the Code, see Tables.

§ 321k. Model standards and guidelines for critical infrastructure workers

(a) In general

Not later than 12 months after August 3, 2007, and in coordination with appropriate national professional organizations, Federal, State, local, and tribal government agencies, and private-sector and nongovernmental entities, the Administrator shall establish model standards and guidelines for credentialing critical infrastructure workers that may be used by a State to credential critical infrastructure workers that may respond to a natural disaster, act of terrorism, or other man-made disaster.

(b) Distribution and assistance

The Administrator shall provide the standards developed under subsection (a), including detailed written guidance, to State, local, and tribal governments, and provide expertise and technical assistance to aid such governments with credentialing critical infrastructure workers that may respond to a natural disaster, act of terrorism, or other manmade disaster.

(Pub. L. 107-296, title V, § 522, as added Pub. L. 110-53, title IV, § 409(a), Aug. 3, 2007, 121 Stat. 305.)

§ 321l. Guidance and recommendations

(a) In general

Consistent with their responsibilities and authorities under law, as of the day before August 3, 2007, the Administrator and the Assistant Secretary for Infrastructure Protection, in consultation with the private sector, may develop guidance or recommendations and identify best practices to assist or foster action by the private sector in—

- (1) identifying potential hazards and assessing risks and impacts;
- (2) mitigating the impact of a wide variety of hazards, including weapons of mass destruction;
- (3) managing necessary emergency preparedness and response resources;
- (4) developing mutual aid agreements;
- (5) developing and maintaining emergency preparedness and response plans, and associated operational procedures;
- (6) developing and conducting training and exercises to support and evaluate emergency preparedness and response plans and operational procedures;
- (7) developing and conducting training programs for security guards to implement emergency preparedness and response plans and operations procedures; and
- (8) developing procedures to respond to requests for information from the media or the public.

(b) Issuance and promotion

Any guidance or recommendations developed or best practices identified under subsection (a) shall be—

- (1) issued through the Administrator; and
- (2) promoted by the Secretary to the private sector.

(c) Small business concerns

In developing guidance or recommendations or identifying best practices under subsection (a), the Administrator and the Assistant Secretary for Infrastructure Protection shall take into consideration small business concerns (under the meaning given that term in section 632 of title 15), including any need for separate guidance or recommendations or best practices, as necessary and appropriate.

(d) Rule of construction

Nothing in this section may be construed to supersede any requirement established under any other provision of law.

(Pub. L. 107-296, title V, § 523, as added Pub. L. 110-53, title IX, § 901(a), Aug. 3, 2007, 121 Stat. 364.)
