

(b) Grant program**(1) In general**

The Secretary (acting through the Foreign Agricultural Service) shall establish and administer a program to make competitive grants to eligible entities to develop agricultural biotechnology for developing countries.

(2) Use of funds

Funds provided to an eligible entity under this section may be used for projects that use biotechnology to—

(A) enhance the nutritional content of agricultural products that can be grown in developing countries;

(B) increase the yield and safety of agricultural products that can be grown in developing countries;

(C) increase the yield of agricultural products that are drought- and stress-resistant and that can be grown in developing countries;

(D) extend the growing range of crops that can be grown in developing countries;

(E) enhance the shelf-life of fruits and vegetables grown in developing countries;

(F) develop environmentally sustainable agricultural products that can be grown in developing countries; and

(G) develop vaccines to immunize against life-threatening illnesses and other medications that can be administered by consuming genetically-engineered agricultural products.

(c) Authorization of appropriations

There are authorized to be appropriated such sums as may be necessary to carry out this section for each of fiscal years 2002 through 2012.

(Pub. L. 105-185, title IV, §411, as added Pub. L. 107-171, title VII, §7505, May 13, 2002, 116 Stat. 466; amended Pub. L. 110-234, title VII, §7310, May 22, 2008, 122 Stat. 1243; Pub. L. 110-246, §4(a), title VII, §7310, June 18, 2008, 122 Stat. 1664, 2004.)

CODIFICATION

Pub. L. 110-234 and Pub. L. 110-246 made identical amendments to this section. The amendments by Pub. L. 110-234 were repealed by section 4(a) of Pub. L. 110-246.

AMENDMENTS

2008—Subsec. (c). Pub. L. 110-246, §7310, substituted “2012” for “2007”.

EFFECTIVE DATE OF 2008 AMENDMENT

Amendment of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, see section 4 of Pub. L. 110-246, set out as an Effective Date note under section 8701 of this title.

§ 7632. Specialty crop research initiative**(a) Definitions**

In this section:

(1) Citrus disease subcommittee

The term “citrus disease subcommittee” means the subcommittee established under section 3123a(a)(2) of this title.

(2) Initiative

The term “Initiative” means the specialty crop research and extension initiative established by subsection (b).

(3) Specialty crop

The term “specialty crop” has the meaning given that term in section 3 of the Specialty Crops Competitiveness Act of 2004 (7 U.S.C. 1621 note; Public Law 108-465).

(4) Specialty crops committee

The term “specialty crops committee” means the committee established under section 3123a of this title.

(b) Establishment

There is established within the Department a specialty crop research and extension initiative to address the critical needs of the specialty crop industry by developing and disseminating science-based tools to address needs of specific crops and their regions, including—

(1) research in plant breeding, genetics, genomics, and other methods to improve crop characteristics, such as—

(A) product, taste, quality, and appearance;

(B) environmental responses and tolerances;

(C) nutrient management, including plant nutrient uptake efficiency;

(D) pest and disease management, including resistance to pests and diseases resulting in reduced application management strategies; and

(E) enhanced phytonutrient content;

(2) efforts to identify and address threats from pests and diseases, including threats to specialty crop pollinators;

(3) efforts to improve production efficiency, handling and processing, productivity, and profitability over the long term (including specialty crop policy and marketing);

(4) new innovations and technology, including improved mechanization and technologies that delay or inhibit ripening; and

(5) methods to prevent, detect, monitor, control, and respond to potential food safety hazards in the production and processing of specialty crops, including fresh produce.

(c) Eligible entities

The Secretary may carry out this section through—

(1) Federal agencies;

(2) national laboratories;

(3) colleges and universities;

(4) research institutions and organizations;

(5) private organizations or corporations;

(6) State agricultural experiment stations;

(7) individuals; or

(8) groups consisting of 2 or more entities described in paragraphs (1) through (7).

(d) Review of proposals

In carrying out this section, the Secretary shall award competitive grants on the basis of—

(1) a scientific peer review conducted by a panel of subject matter experts from Federal agencies, non-Federal entities, and the specialty crop industry; and

(2) a review and ranking for merit, relevance, and impact conducted by a panel of specialty crop industry representatives for the specific specialty crop.

(e) Consultation

Each fiscal year, before conducting the scientific peer review described in paragraph (1) of

subsection (d) and the merit and relevancy review described in paragraph (2) of such subsection, the Secretary shall consult with the specialty crops committee regarding such reviews. The committee shall provide the Secretary—

(1) in the first fiscal year in which that consultation occurs, any recommendations for conducting such reviews in such fiscal year; and

(2) in any subsequent fiscal year in which such consultation occurs—

(A) an assessment of the procedures and objectives used by the Secretary for such reviews in the previous fiscal year;

(B) any recommendations for such reviews for the current fiscal year; and

(C) any comments on grants awarded under subsection (d) during the previous fiscal year.

(f) Report

The Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report on—

(1) the results of the consultations with the specialty crops committee (and subcommittees thereof) conducted under subsection (e) of this section and subsection (g) of section 3123a of this title;

(2) the specialty crops committee's (and subcommittees thereof) recommendations, if any, provided to the Secretary during such consultations; and

(3) the specialty crops committee's (and subcommittees thereof) review of the grants awarded under subsection (d) and (j), as applicable, in the previous fiscal year.

(g) Administration

(1) In general

With respect to grants awarded under this section, the Secretary shall seek and accept proposals for grants.

(2) Term

The term of a grant under this section may not exceed 10 years.

(3) Other conditions

The Secretary may set such other conditions on the award of a grant under the Initiative as the Secretary determines to be appropriate.

(h) Priorities

In making grants under the Initiative, the Secretary shall provide a higher priority to projects that—

(1) are multistate, multi-institutional, or multidisciplinary; and

(2) include explicit mechanisms to communicate results to producers and the public.

(i) Buildings and facilities

Funds made available under this section shall not be used for the construction of a new building or facility or the acquisition, expansion, remodeling, or alteration of an existing building or facility (including site grading and improvement, and architect fees).

(j) Emergency citrus disease research and extension program

(1) Establishment and purpose

The Secretary shall establish a competitive research and extension grant program to combat diseases of citrus under which the Secretary awards competitive grants to eligible entities—

(A) to conduct scientific research and extension activities, technical assistance, and development activities to combat citrus diseases and pests, both domestic and invasive, which pose imminent harm to the United States citrus production and threaten the future viability of the citrus industry, including *huanglongbing* and the Asian Citrus Psyllid; and

(B) to provide support for the dissemination and commercialization of relevant information, techniques, and technologies discovered pursuant to research and extension activities funded through—

(i) the emergency citrus disease research and extension program; or

(ii) other research and extension projects intended to solve problems caused by citrus production diseases and invasive pests.

(2) Priority

In awarding grants under this subsection, the Secretary shall give priority to grants that address the research and extension priorities established pursuant to subsection (g)(4) of section 3123a of this title.

(3) Coordination

When developing the proposed research and extension agenda and budget under subsection (g)(2) of section 3123a of this title for the funds made available under this subsection for a fiscal year, the citrus disease subcommittee shall—

(A) seek input from Federal and State agencies and other entities involved in citrus disease response; and

(B) take into account other public and private citrus-related research and extension projects and the funding for such projects.

(4) Nonduplication

The Secretary shall ensure that funds made available to carry out the emergency citrus disease research and extension activities under this subsection shall be in addition to and not supplant funds made available to carry out other citrus disease activities carried out by the Department of Agriculture in consultation with State agencies.

(5) Authorization of appropriations

In addition to the amounts reserved under subsection (k)(1)(C), there are authorized to be appropriated to carry out this subsection, \$25,000,000 for each of fiscal years 2014 through 2018.

(6) Definitions

In this subsection:

(A) Citrus

The term “citrus” means edible fruit of the family Rutaceae, including any hybrid of

such fruits and products of such hybrids that are produced for commercial purposes in the United States.

(B) Citrus producer

The term “citrus producer” means any person that is engaged in the domestic production and commercial sale of citrus in the United States.

(C) Emergency citrus disease research and extension program

The term “emergency citrus disease research and extension program” means the emergency citrus research and extension grant program established under this subsection.

(k) Funding

(1) Mandatory funding

(A) Fiscal years 2008 through 2012

Of the funds of the Commodity Credit Corporation, the Secretary shall make available to carry out this section \$30,000,000 for fiscal year 2008 and \$50,000,000 for each of fiscal years 2009 through 2012, from which activities under each of paragraphs (1) through (5) of subsection (b) shall be allocated not less than 10 percent.

(B) Subsequent funding

Of the funds of the Commodity Credit Corporation, the Secretary shall make available to carry out this section \$80,000,000 for fiscal year 2014 and each fiscal year thereafter.

(C) Reservation

For each of fiscal years 2014 through 2018, the Secretary shall reserve not less than \$25,000,000 of the funds made available under subparagraph (B) to carry out the program established under subsection (j).

(D) Availability of funds

Funds reserved under subparagraph (C) shall remain available and reserved for the purpose described in such subparagraph until expended.

(2) Authorization of appropriations for fiscal years 2014 through 2018

In addition to funds made available under paragraph (1), there is authorized to be appropriated to carry out this section \$100,000,000 for each of fiscal years 2014 through 2018.

(3) Fiscal year 2013

There is authorized to be appropriated to carry out this section \$100,000,000 for fiscal year 2013.

(4) Transfer

Of the funds made available to the Secretary under paragraph (1) for fiscal year 2008 and authorized for use for payment of administrative expenses under section 3315(a)(3) of this title, the Secretary shall transfer, upon the date of enactment of this section, \$200,000 to the Office of Prevention, Pesticides, and Toxic Substances of the Environmental Protection Agency for use in conducting a meta-analysis relating to methyl bromide.

(5) Availability

Funds made available pursuant to this subsection for a fiscal year shall remain available

until expended to pay for obligations incurred in that fiscal year.

EFFECTIVE DATE OF 2013 AMENDMENT

Amendment by Pub. L. 112-240 effective Sept. 30, 2012, see section 701(j) of Pub. L. 112-240, set out in a 1-Year Extension of Agricultural Programs note under section 8701 of this title.

EFFECTIVE DATE

Enactment of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, see section 4 of Pub. L. 110-246, set out as a note under section 8701 of this title.

COORDINATION OF PROJECTS AND ACTIVITIES

Pub. L. 110-234, title VII, § 7311(b), May 22, 2008, 122 Stat. 1245, and Pub. L. 110-246, § 4(a), title VII, § 7311(b), June 18, 2008, 122 Stat. 1664, 2006, provided that: “In carrying out the amendment made by this section [enacting this section], the Secretary [of Agriculture] shall ensure that the Division Chief of the applicable Research, Education, and Extension Office established under section 251 of the Department of Agriculture Reorganization Act of 1994 (7 U.S.C. 6971) coordinates projects and activities under this section to ensure, to the maximum extent practicable, that unnecessary duplication of effort is eliminated or minimized.”

[Pub. L. 110-234 and Pub. L. 110-246 enacted identical provisions. Pub. L. 110-234 was repealed by section 4(a) of Pub. L. 110-246, set out as a note under section 8701 of this title.]

§ 7633. Food and agriculture service learning program

(a) In general

Subject to the availability of appropriations under subsection (e), the Secretary, acting through the Director of the National Institute of Food and Agriculture, and working in consultation with other appropriate Federal agencies that oversee national service programs, shall administer a competitively awarded food and agriculture service learning grant program (referred to in this section as the “Program”) to increase knowledge of agriculture and improve the nutritional health of children.

(b) Purposes

The purposes of the Program are—

(1) to increase capacity for food, garden, and nutrition education within host organizations or entities and school cafeterias and in the classroom;

(2) to complement and build on the efforts of the farm to school programs implemented under section 18(g) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1769(g));

(3) to complement efforts by the Department and school food authorities to implement the school lunch program established under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 et seq.) and the school breakfast program established by section 1773 of title 42;

(4) to carry out activities that advance the nutritional health of children and nutrition education in elementary schools and secondary schools (as those terms are defined in section 7801 of title 20); and

(5) to foster higher levels of community engagement and support the expansion of national service and volunteer opportunities.

(c) Grants

(1) In general

In carrying out the Program, the Director of the National Institute of Food and Agriculture shall make competitive grants to eligible entities that carry out the purposes described in paragraphs (1) through (5) of subsection (b).

(2) Priorities

In making grants under this section, the Secretary may consider projects that are carried out by entities that—

(A) have a proven track record in carrying out the purposes described in subsection (b);

(B) work in underserved rural and urban communities;

(C) teach and engage children in experiential learning about agriculture, gardening, nutrition, cooking, and where food comes from; and

(D) facilitate a connection between elementary schools and secondary schools and agricultural producers in the local and regional area.

(d) Accountability

(1) In general

The Secretary may require a partner organization or other qualified entity to collect and report any data on the activities carried out under the Program, as determined by the Secretary.

(2) Evaluation

The Secretary shall—

(A) conduct regular evaluations of the activities carried out under the Program; and

(B) submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report that includes a description of the results of each evaluation conducted under subparagraph (A).

(e) Funding

(1) Authorization of appropriations

There is authorized to be appropriated to carry out the Program \$25,000,000, to remain available until expended.

(2) Administration

Paragraphs (4), (7), (8), and (11)(B) of subsection (b) of section 3157 of this title shall apply with respect to the making of a competitive grant under this section.

(3) Maintenance of effort

Funds made available under paragraph (1) shall be used only to supplement, not to supplant, the amount of Federal funding otherwise expended for nutrition, research, and extension programs of the Department.
