§ 499d. Issuance of license

(a) Authority to do business; termination; renewal

Whenever an applicant has paid the prescribed fee the Secretary, except as provided elsewhere in this chapter, shall issue to such applicant a license, which shall entitle the licensee to do business as a commission merchant and/or dealer and/or broker unless and until it is suspended or revoked by the Secretary in accordance with the provisions of this chapter, or is automatically suspended under section 499g(d) of this

title, but said license shall automatically terminate on the anniversary date of the license at the end of the annual or multiyear period covered by the license fee unless the licensee submits the required renewal application and pays the applicable renewal fee (if such fee is required): *Provided*, That notice of the necessity of renewing the license and of paying the renewal fee (if such fee is required) shall be mailed at least thirty days before the anniversary date: *Provided, further*, That if the renewal fee (if required) is not paid by the anniversary date the licensee may obtain a renewal of that license at any time within thirty days by paying the fee provided in section 499c(b) of this title, plus \$50, which shall be deposited in the Perishable Agricultural Commodities Act fund provided for by section 499c(b) of this title: *And provided further*, That the license of any licensee shall terminate upon said licensee, or in case the licensee is a partnership, any partner, being discharged as a bankrupt, unless the Secretary finds upon examination of the circumstances of such bankruptcy, which he shall examine if requested to do so by said licensee, that such circumstances do not warrant such termination.

(b) Refusal of license; grounds

The Secretary shall refuse to issue a license to an applicant if he finds that the applicant, or any person responsibly connected with the applicant, is prohibited from employment with a licensee under section 499h(b) of this title or is a person who, or is or was responsibly connected with a person who—

(A) has had his license revoked under the provisions of section 499h of this title within two years prior to the date of the application or whose license is currently under suspension;

(B) within two years prior to the date of application has been found after notice and opportunity for hearing to have committed any flagrant or repeated violation of section 499b of this title, but this provision shall not apply to any case in which the license of the person found to have committed such violation was suspended and the suspension period has expired or is not in effect;

(C) within two years prior to the date of the application, has been found guilty in a Federal court of having violated the provisions of sections 491, 493 to 497 of this title, relating to the prevention of destruction and dumping of farm produce; or

(D) has failed, except in the case of bankruptcy and subject to his right of appeal under section 499g(c) of this title, to pay any reparation order issued against him within two years prior to the date of the application.

(c) Issuance of license upon furnishing bond; issuance after three years without bond; effect of termination of bond; increase or decrease in amount; payment of increase

An applicant ineligible for a license by reason of the provisions of subsection (b) of this section may, upon the expiration of the two-year period applicable to him, be issued a license by the Secretary if such applicant furnishes a surety bond in the form and amount satisfactory to the Secretary as assurance that his business will be conducted in accordance with this chapter and

that he will pay all reparation orders which may be issued against him in connection with transactions occurring within four years following the issuance of the license, subject to his right of appeal under section 499g(c) of this title. In the event such applicant does not furnish such a surety bond, the Secretary shall not issue a license to him until three years have elapsed after the date of the applicable order of the Secretary or decision of the court on appeal. If the surety bond so furnished is terminated for any reason without the approval of the Secretary the license shall be automatically canceled as of the date of such termination and no new license shall be issued to such person during the four-year period without a new surety bond covering the remainder of such period. The Secretary, based on changes in the nature and volume of business conducted by a bonded licensee, may require an increase or authorize a reduction in the amount of the bond. A bonded licensee who is notified by the Secretary to provide a bond in an increased amount shall do so within a reasonable time to be specified by the Secretary, and upon failure of the licensee to provide such bond his license shall be automatically suspended until such bond is provided. The Secretary may not issue a license to an applicant under this subsection if the applicant or any person responsibly connected with the applicant is prohibited from employment with a licensee under section 499h(b) of this title.

(d) Withholding license pending investigation

The Secretary may withhold the issuance of a license to an applicant, for a period not to exceed thirty days pending an investigation, for the purpose of determining (a) whether the applicant is unfit to engage in the business of a commission merchant, dealer, or broker because the applicant, or in case the applicant is a partnership, any general partner, or in case the applicant is a corporation, any officer or holder of more than 10 per centum of the stock, prior to the date of the filing of the application engaged in any practice of the character prohibited by this chapter or was convicted of a felony in any State or Federal court, or (b) whether the application contains any materially false or misleading statement or involves any misrepresentation, concealment, or withholding of facts respecting any violation of the chapter by any officer, agent, or employee of the applicant. If after investigation the Secretary believes that the applicant should be refused a license, the applicant shall be given an opportunity for hearing within sixty days from the date of the application to show cause why the license should not be refused. If after the hearing the Secretary finds that the applicant is unfit to engage in the business of a commission merchant, dealer, or broker because the applicant, or in case the applicant is a partnership, any general partner, or in case the applicant is a corporation, any officer or holder of more than 10 per centum of the stock, prior to the date of the filing of the application engaged in any practice of the character prohibited by this chapter or was convicted of a felony in any State or Federal court, or because the application contains a materially false or misleading statement made by the applicant or

by its representative on its behalf, or involves a misrepresentation, concealment, or withholding of facts respecting any violation of the chapter by any officer, agent, or employee, the Secretary may refuse to issue a license to the applicant.

(e) Refusal of license

The Secretary may refuse to issue a license to an applicant if he finds that the applicant, or in case the applicant is a partnership, any general partner, or in case the applicant is a corporation, any officer or holder of more than 10 per centum of the stock, has, within three years prior to the date of the application, been adjudicated or discharged as a bankrupt, or was a general partner of a partnership or officer or holder of more than 10 per centum of the stock of a corporation adjudicated or discharged as a bankrupt, and if he finds that the circumstances of such bankruptcy warrant such a refusal, unless the applicant furnishes a bond of such nature and amount as may be determined by the Secretary or other assurance satisfactory to the Secretary that the business of the applicant will be conducted in accordance with this chapter.

EFFECTIVE DATE OF 1978 AMENDMENT

Amendment by Pub. L. 95-598 effective Oct. 1, 1979, see section 402(a) of Pub. L. 95-598, set out as an Effective Date note preceding section 101 of Title 11, Bankruptcy.

§ 499e. Liability to persons injured

(a) Amount of damages

If any commission merchant, dealer, or broker violates any provision of section 499b of this title he shall be liable to the person or persons injured thereby for the full amount of damages (including any handling fee paid by the injured person or persons under section 499f(a)(2) of this title) sustained in consequence of such violation.

(b) Remedies

Such liability may be enforced either (1) by complaint to the Secretary as hereinafter provided, or (2) by suit in any court of competent jurisdiction; but this section shall not in any way abridge or alter the remedies now existing at common law or by statute, and the provisions of this chapter are in addition to such remedies.

(c) Trust on commodities and sales proceeds for benefit of unpaid suppliers, sellers, or agents; preservation of trust; jurisdiction of courts

(1) It is hereby found that a burden on commerce in perishable agricultural commodities is caused by financing arrangements under which commission merchants, dealers, or brokers, who have not made payment for perishable agricultural commodities purchased, contracted to be purchased, or otherwise handled by them on behalf of another person, encumber or give lenders a security interest in, such commodities, or on inventories of food or other products derived from such commodities, and any receivables or proceeds from the sale of such commodities or products, and that such arrangements are contrary to the public interest. This subsection is intended to remedy such burden on commerce in perishable agricultural commodities and to protect the public interest.

(2) Perishable agricultural commodities received by a commission merchant, dealer, or broker in all transactions, and all inventories of food or other products derived from perishable agricultural commodities, and any receivables or proceeds from the sale of such commodities or products, shall be held by such commission merchant, dealer, or broker in trust for the benefit of all unpaid suppliers or sellers of such commodities or agents involved in the transaction, until full payment of the sums owing in connection with such transactions has been received by such unpaid suppliers, sellers, or agents. Payment shall not be considered to have been made if the supplier, seller, or agent receives a payment instrument which is dishonored. The provisions of this subsection shall not apply to transactions between a cooperative association, as defined in section 1141j(a) of title 12, and its members.

(3) The unpaid supplier, seller, or agent shall lose the benefits of such trust unless such person

has given written notice of intent to preserve the benefits of the trust to the commission merchant, dealer, or broker within thirty calendar days (i) after expiration of the time prescribed by which payment must be made, as set forth in regulations issued by the Secretary, (ii) after expiration of such other time by which payment must be made, as the parties have expressly agreed to in writing before entering into the transaction, or (iii) after the time the supplier, seller, or agent has received notice that the payment instrument promptly presented for payment has been dishonored. The written notice to the commission merchant, dealer, or broker shall set forth information in sufficient detail to identify the transaction subject to the trust. When the parties expressly agree to a payment time period different from that established by the Secretary, a copy of any such agreement shall be filed in the records of each party to the transaction and the terms of payment shall be disclosed on invoices, accountings, and other documents relating to the transaction.

(4) In addition to the method of preserving the benefits of the trust specified in paragraph (3), a licensee may use ordinary and usual billing or invoice statements to provide notice of the licensee's intent to preserve the trust. The bill or invoice statement must include the information required by the last sentence of paragraph (3) and contain on the face of the statement the following: "The perishable agricultural commodities listed on this invoice are sold subject to the statutory trust authorized by section 5(c) of the Perishable Agricultural Commodities Act, 1930 (7 U.S.C. 499e(c)). The seller of these commodities retains a trust claim over these commodities, all inventories of food or other products derived from these commodities, and any receivables or proceeds from the sale of these commodities until full payment is received."

(5) The several district courts of the United States are vested with jurisdiction specifically to entertain (i) actions by trust beneficiaries to enforce payment from the trust, and (ii) actions by the Secretary to prevent and restrain dissipation of the trust.
