

their associations, and other interested beneficiaries in evaluating that industry from a regional and national perspective.

(5) Analysis of the alignment of specialty crops committee recommendations with grants awarded through the specialty crop research initiative established under section 7632 of this title.

(d) Consultation with specialty crop industry

In studying the scope and effectiveness of programs under subsection (a), the specialty crops committee shall consult on an ongoing basis with diverse sectors of the specialty crop industry.

(e) Consideration by Secretary

In preparing the annual budget recommendations for the Department of Agriculture, the Secretary shall take into consideration those findings and recommendations contained in the most-recent report of the specialty crops committee that are adopted by the Advisory Board.

(f) Annual report by Secretary

In the budget material submitted to Congress by the Secretary in connection with the budget submitted pursuant to section 1105 of title 31 for a fiscal year, the Secretary shall include a report describing how the Secretary addressed each recommendation of the specialty crops committee described in subsection (e).

(g) Citrus disease subcommittee duties

For the purposes of subsection (j) of section 7632 of this title, the citrus disease subcommittee shall—

(1) advise the Secretary on citrus research, extension, and development needs;

(2) propose, by a favorable vote of two-thirds of the members of the subcommittee, a research and extension agenda and annual budgets for the funds made available to carry out such subsection;

(3) evaluate and review ongoing research and extension funded under the emergency citrus disease research and extension program (as defined in such subsection);

(4) establish, by a favorable vote of two-thirds of the members of the subcommittee, annual priorities for the award of grants under such subsection;

(5) provide the Secretary any comments on grants awarded under such subsection during the previous fiscal year; and

(6) engage in regular consultation and collaboration with the Department and other institutional, governmental, and private persons conducting scientific research on, and extension activities related to, the causes or treatments of citrus diseases and pests, both domestic and invasive, for purposes of—

(A) maximizing the effectiveness of research and extension projects funded under the citrus disease research and extension program;

(B) hastening the development of useful treatments;

(C) avoiding duplicative and wasteful expenditures; and

(D) providing the Secretary with such information and advice as the Secretary may request.

§ 3123b. Renewable energy committee

(a) Initial members

Not later than 90 days after the date of enactment of this section, the executive committee of

the Advisory Board shall establish and appoint the initial members of a permanent renewable energy committee.

(b) Duties

The permanent renewable energy committee shall study the scope and effectiveness of research, extension, and economics programs affecting the renewable energy industry.

(c) Nonadvisory Board members

(1) In general

An individual who is not a member of the Advisory Board may be appointed as a member of the renewable energy committee.

(2) Service

A member of the renewable energy committee shall serve at the discretion of the executive committee.

(d) Report by renewable energy committee

Not later than 180 days after the date of establishment of the renewable energy committee, and annually thereafter, the renewable energy committee shall submit to the Advisory Board a report that contains the findings and any recommendations of the renewable energy committee with respect to the study conducted under subsection (b).

(e) Consultation

In carrying out the duties described in subsection (b), the renewable energy committee shall consult with the Biomass Research and Development Technical Advisory Committee established under section 8605¹ of this title.

(f) Matters to be considered in budget recommendation

In preparing the annual budget recommendations for the Department, the Secretary shall take into consideration those findings and recommendations contained in the most recent report of the renewable energy committee under subsection (d) that are developed by the Advisory Committee.

(g) Report by the Secretary

In the budget material submitted to Congress by the Secretary in connection with the budget submitted pursuant to section 1105 of title 31 for a fiscal year, the Secretary shall include a report that describes the ways in which the Secretary addressed each recommendation of the renewable energy committee described in subsection (f).

(Pub. L. 95-113, title XIV, §1408B, as added Pub. L. 110-234, title VII, §7104, May 22, 2008, 122 Stat. 1216, and Pub. L. 110-246, §4(a), title VII, §7104, June 18, 2008, 122 Stat. 1664, 1977.)

REFERENCES IN TEXT

The date of enactment of this section, referred to in subsec. (a), is the date of enactment of Pub. L. 110-246, which was approved June 18, 2008.

Section 8605 of this title, referred to in subsec. (e), was in the original “section 9008(d) of the Biomass Research and Development Act of 2000 (7 U.S.C. 8605)”, and was translated as meaning section 306 of title III of Pub. L. 106-224, to reflect the probable intent of Con-

gress, because title III of Pub. L. 106-224, known as the Biomass Research and Development Act of 2000, does not contain a section 9008 and section 306 of the Act related to the establishment of the Biomass Research and Development Technical Advisory Committee, prior to repeal by Pub. L. 110-246, title IX, §9001(b), June 18, 2008, 122 Stat. 2095.

CODIFICATION

Pub. L. 110-234 and Pub. L. 110-246 enacted identical sections. Pub. L. 110-234 was repealed by section 4(a) of Pub. L. 110-246.

EFFECTIVE DATE

Enactment of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, see section 4 of Pub. L. 110-246, set out as a note under section 8701 of this title.

§ 3124. Existing research programs

It is the intent of Congress in enacting this chapter to augment, coordinate, and supplement the planning, initiation, and conduct of agricultural research programs existing prior to September 29, 1977, except that it is not the intent of Congress in enacting this title to limit the authority of the Secretary of Health and Human Services under any Act which the Secretary of Health and Human Services administers.
