§ 3178. Nutritional status monitoring

(a) Formulation of system

The Secretary and the Secretary of Health and Human Services shall formulate and submit to Congress, within ninety days after September 29, 1977, a proposal for a comprehensive nutritional status monitoring system, to include:

(1) an assessment system consisting of periodic surveys and continuous monitoring to determine: the extent of risk of nutrition-related health problems in the United States; which population groups or areas of the country face greatest risk; and the likely causes of risk and changes in the above risk factors over time;

(2) a surveillance system to identify remediable nutrition-related health risks to individuals or for local areas, in such a manner as to tie detection to direct intervention and treatment. Such system should draw on screening and other information from other health programs, including those funded under titles V,
