“DIETARY ASSESSMENT AND STUDIES

“SEC. 1453. (a) The Secretary of Agriculture and the Secretary of Health and Human Services shall jointly conduct an assessment of existing scientific literature and research relating to—

“(1) the relationship between dietary cholesterol and blood cholesterol and human health and nutrition; and

“(2) dietary calcium and its importance in human health and nutrition.

In conducting the assessments under this subsection, the Secretaries shall consult with agencies of the Federal Government involved in related research. On completion of such assessments, the Secretaries shall each recommend such further studies as the Secretaries consider useful.

“(b) Not later than 1 year after the date of enactment of this Act [Dec. 23, 1985], the Secretary of Agriculture and the Secretary of Health and Human Services shall each submit to the House Committees on Agriculture and Energy and Commerce and the Senate Committees on Agriculture, Nutrition, and Forestry and Labor and Human Resources a report that shall include the results of the assessments conducted under subsection (a) and recommendations made under such subsection, for more complete studies of the issues examined under such subsection, including a protocol, feasibility assessment, budget estimates and a timetable for such research as each Secretary shall consider appropriate.”

PRIOR PROVISIONS

A prior section 3174, Pub. L. 95-113, title XIV, §1424, as added Pub. L. 101-624, title XVI, §1610(a), Nov. 28, 1990, 104 Stat. 3719, provided for establishment of food science and nutrition research center for Southeast region of United States prior to repeal by Pub. L. 104-127, title VIII, §808, Apr. 4, 1996, 110 Stat. 1162.

Another prior section 3174, Pub. L. 95-113, title XIV, §1424, Sept. 29, 1977, 91 Stat. 1000, provided for a study assessing potential value and cost of establishing regional food and human nutrition research centers and a report thereon, with findings and recommendations, to be submitted to the Congress not later than one year after Oct. 1, 1977, prior to repeal by Pub. L. 99-198, title XIV, §1413, Dec. 23, 1985, 99 Stat. 1549.

§ 3175. Nutrition education program

(a) Definition of 1862 Institution and 1890 Institution

In this section, the terms “1862 Institution” and “1890 Institution” have the meaning given those terms in section 7601 of this title.

(b) Establishment

The Secretary shall establish a national education program which shall include, but not be limited to, the dissemination of the results of food and human nutrition research performed or funded by the Department of Agriculture.

(c) Employment and training

To enable low-income individuals and families to engage in nutritionally sound food purchasing and preparation practices, the expanded food and nutrition education program presently conducted under section 343(d) of this title, shall provide for the employment and training of professional and paraprofessional aides to engage in direct nutrition education of low-income families and in other appropriate nutrition education programs. To the maximum extent practicable, program aides shall be hired from the indigenous target population.

(d) Allocation of funding

Beginning with the fiscal year ending September 30, 1982—

(1) Any funds annually appropriated under section 343(d) of this title, for the conduct of the expanded food and nutrition education program, up to the amount appropriated under such section for such program for the fiscal year ending September 30, 1981, shall be allocated to each State in the same proportion as funds appropriated under such section for the conduct of the program for the fiscal year ending September 30, 1981, are allocated among the States; with the exception that the Secretary may retain up to 2 per centum of such amount for the conduct of such program in States that did not participate in such program in the fiscal year ending September 30, 1981.

(2) Any funds appropriated annually under section 343(d) of this title, for the conduct of the expanded food and nutrition education program in excess of the amount appropriated under such section for the conduct of the program for the fiscal year ending September 30, 1981, shall be allocated as follows:

(A) 4 per centum shall be available to the Secretary for administrative, technical, and other services necessary for the administration of the program.

(B) Notwithstanding section 343(d) of this title, the remainder shall be allocated among the States as follows:

(i) \$100,000 shall be distributed to each 1862 Institution and 1890 Institution.

(ii) Subject to clause (iii), the remainder shall be allocated to each State in an amount that bears the same ratio to the total amount to be allocated under this clause as—

(I) the population living at or below 125 percent of the income poverty guidelines (as prescribed by the Office of Management and Budget and as adjusted pursuant to section 9902(2) of title 42) in the State; bears to

(II) the total population living at or below 125 percent of those income poverty guidelines in all States;

as determined by the most recent decennial census at the time at which each such additional amount is first appropriated.
