SEC. 3. *Enforcement of All Laws for Entry into the United States.* I direct the Secretary of State, the Attorney General, the Secretary of Homeland Security, and the heads of all other relevant executive departments and agencies (as identified by the Secretary of Homeland Security) to rigorously enforce all existing grounds of inadmissibility and to ensure subsequent compliance with related laws after admission. The heads of all relevant executive departments and agencies shall issue new rules, regulations, or guidance (collectively, rules), as appropriate, to enforce laws relating to such grounds of inadmissibility and subsequent compliance. To the extent that the Secretary of Homeland Security issues such new rules, the heads of all other relevant executive departments and agencies shall, as necessary and appropriate, issue new rules that conform to them. Such new rules shall supersede any previous rules to the extent of any conflict.

SEC. 4. *Transparency and Data Collection.* (a) To ensure that the American people have more regular access to information, and to ensure that the executive branch shares information among its departments and agencies, the Secretary of State and Secretary of Homeland Security shall, consistent with applicable law and national security, issue regular reports regarding visas and adjustments of immigration status, written in non-technical language for broad public use and understanding. In addition to any other information released by the Secretary of State, the Attorney General, or the Secretary of Homeland Security:

(i) Beginning on April 28, 2017, and by the last day of every month thereafter, the Secretary of State shall publish the following information about actions taken during the preceding calendar month:

(A) the number of visas that have been issued from each consular office within each country during the reporting period, disaggregated by detailed visa category and country of issuance; and

(B) any other information the Secretary of State considers appropriate, including information that the Attorney General or Secretary of Homeland Security may request be published.

(ii) The Secretary of Homeland Security shall issue reports detailing the number of adjustments of immigration status that have been made during the reporting period, disaggregated by type of adjustment, type and detailed class of admission, and country of nationality. The first report shall be issued within 90 days of the date of this memorandum, and subsequent reports shall be issued every 90 days thereafter. The first report shall address data from the date of this memorandum until the report is issued, and each subsequent report shall address new data since the last report was issued.

(b) To further ensure transparency for the American people regarding the efficiency and effectiveness of our immigration programs in serving the national interest, the Secretary of State, in consultation with the Secretary of Health and Human Services, the Secretary of Homeland Security, and the Director of the Office of Management and Budget, shall, within 180 days of the date of this memorandum, submit to me a report detailing the estimated long-term costs of the United States Refugee Admissions Program at the Federal, State, and local levels, along with recommendations about how to curtail those costs.

(c) The Secretary of State, in consultation with the Director of the Office of Management and Budget, shall, within 180 days of the date of this memorandum, produce a report estimating how many refugees are being supported in countries of first asylum (near their home countries) for the same long-term cost as supporting refugees in the United States, taking into account the full lifetime cost of Federal, State, and local benefits, and the comparable cost of providing similar benefits elsewhere.

SEC. 5. *General Provisions.* (a) Nothing in this memorandum shall be construed to impair or otherwise affect:

(i) the authority granted by law to an executive department or agency, or the head thereof; or

(ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(b) This memorandum shall be implemented consistent with applicable law and subject to the availability of appropriations.

(c) All actions taken pursuant to this memorandum shall be consistent with requirements and authorities to protect intelligence and law enforcement sources and methods, personally identifiable information, and the confidentiality of visa records. Nothing in this memorandum shall be interpreted to supersede measures established under authority of law to protect the security and integrity of specific activities and associations that are in direct support of intelligence and law enforcement operations.

(d) This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

(e) The Secretary of State is hereby authorized and directed to publish this memorandum in the Federal Register.
