The President of the National Defense University shall prepare that report in consultation with the Director of the Center and the Director of the Institute for National Strategic Studies of the University.

“(2) The Secretary of Defense shall transmit the report under paragraph (1), together with whatever comments the Secretary considers appropriate, to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives not later than February 1, 2001.”

[§ 2166. Renumbered § 343]

§ 2167. National Defense University: admission of private sector civilians to professional military education program

(a) AUTHORITY FOR ADMISSION.—The Secretary of Defense may permit eligible private sector employees who work in organizations relevant to national security to receive instruction at the National Defense University in accordance with this section. No more than the equivalent of 35 full-time student positions may be filled at any one time by private sector employees enrolled under this section. Upon successful completion of the course of instruction in which enrolled, any such private sector employee may be awarded an appropriate diploma or degree under section 2165 of this title.

(b) ELIGIBLE PRIVATE SECTOR EMPLOYEES.—For purposes of this section, an eligible private sector employee is an individual employed by a private firm that is engaged in providing to the Department of Defense or other Government departments or agencies significant and substantial defense-related systems, products, or services or whose work product is relevant to national security policy or strategy. A private sector employee admitted for instruction at the National Defense University remains eligible for such instruction only so long as that person remains employed by the same firm.

(c) ANNUAL CERTIFICATION BY SECRETARY OF DEFENSE.—Private sector employees may receive instruction at the National Defense University during any academic year only if, before the start of that academic year, the Secretary of Defense determines, and certifies to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives, that providing instruction to private sector employees under this section during that year will further national security interests of the United States.

(d) PROGRAM REQUIREMENTS.—The Secretary of Defense shall ensure that—

(1) the curriculum for the professional military education program in which private sector employees may be enrolled under this section is not readily available through other schools and concentrates on national security relevant issues; and

(2) the course offerings at the National Defense University continue to be determined solely by the needs of the Department of Defense.

(e) TUITION.—The President of the National Defense University shall charge students enrolled under this section a rate—
