

§ 2328. Release of technical data under Freedom of Information Act: recovery of costs

(a) IN GENERAL.—(1) The Secretary of Defense shall, if required to release technical data under section 552 of title 5 (relating to the Freedom of Information Act), release such technical data to the person requesting the release if the person pays all reasonable costs attributable to search, duplication, and review.

(2) The Secretary of Defense shall prescribe regulations, pursuant to notice and receipt of public comment, specifying a uniform schedule of fees under this section.

(b) CREDITING OF RECEIPTS.—An amount received under this section—

(1) shall be retained by the Department of Defense or the element of the Department of Defense receiving the amount; and

(2) shall be merged with and available for the same purpose and the same time period as the appropriation from which the costs incurred in complying with requests for technical data were paid.

(c) WAIVER.—The Secretary of Defense shall waive the payment of costs required by subsection (a) which are in an amount greater than the costs that would be required for such a release of information under section 552 of title 5 if—

(1) the request is made by a citizen of the United States or a United States corporation, and such citizen or corporation certifies that the technical data requested is required to enable such citizen or corporation to submit an offer or determine whether it is capable of submitting an offer to provide the product to which the technical data relates to the United States or a contractor with the United States (except that the Secretary may require the citizen or corporation to pay a deposit in an amount equal to not more than the cost of complying with the request, to be refunded upon submission of an offer by the citizen or corporation);

(2) the release of technical data is requested in order to comply with the terms of an international agreement; or

(3) the Secretary determines, in accordance with section 552(a)(4)(A)(iii) of title 5, that such a waiver is in the interests of the United States.

§ 2329. Procurement of services: data analysis and requirements validation

(a) IN GENERAL.—The Secretary of Defense shall ensure that—

(1) appropriate and sufficiently detailed data are collected and analyzed to support the validation of requirements for services contracts and inform the planning, programming, budgeting, and execution process of the Department of Defense;

(2) requirements for services contracts are evaluated appropriately and in a timely manner to inform decisions regarding the procurement of services; and

(3) decisions regarding the procurement of services consider available resources and total force management policies and procedures.

(b) SPECIFICATION OF AMOUNTS REQUESTED IN BUDGET.—Effective October 1, 2021, the Secretary of Defense shall annually submit to Congress information on services contracts that clearly and separately identifies the amount requested for each category of services to be procured for each Defense Agency, Department of Defense Field Activity, command, or military installation. Such information shall—

(1) be submitted at or before the time of the budget submission by the President under section 1105(a) of title 31 or on the date on which the future-years defense program is submitted to Congress under section 221 of this title;
