RESPONSIBILITY FOR CONDUCTING ASSESSMENTS; GUIDANCE

For provisions designating officials responsible for conducting assessments and provisions requiring guidance for assessments under subsec. (a)(4) of this section, see section 838(a)(3), (4) of Pub. L. 115-91, set out as notes under section 2366b of this title.

§ 2367. Use of federally funded research and development centers

(a) **LIMITATION ON USE OF CENTERS.**—Except as provided in subsection (b), the Secretary of Defense may not place work with a federally funded research and development center unless such work is within the purpose, mission, and general scope of effort of such center as established in the sponsoring agreement of the Department of Defense with such center.

(b) **EXCEPTION FOR APPLIED SCIENTIFIC RESEARCH.**—This section does not apply to a federally funded research and development center that performs applied scientific research under laboratory conditions.

(c) **LIMITATION ON CREATION OF NEW CENTERS.**—(1) The head of an agency may not obligate or expend amounts appropriated to the Department of Defense for purposes of operating a federally funded research center that was not in existence before June 2, 1986, until—

(A) the head of the agency submits to Congress a report with respect to such center that describes the purpose, mission, and general scope of effort of the center; and

(B) a period of 60 days beginning on the date such report is received by Congress has elapsed.

(2) In this subsection, the term “head of an agency” has the meaning given such term in section 2302(1) of this title.

(d) **IDENTIFICATION TO CONGRESS OF FFRDC WORKLOAD EFFORT.**—After the close of a fiscal year, and not later than January 1 of the next year, the Secretary shall submit to the Committee on Armed Services and the Committee on Appropriations of the Senate and the Committee on Armed Services and the Committee on Appropriations of the House of Representatives a report setting forth the actual obligations and the actual man-years of effort expended at each federally funded research and development center during that fiscal year.

nual report to Congress, see section 1061 of Pub. L. 114-328, set out as a note under section 111 of this title.

PILOT PROGRAM ON DISCLOSURE OF CERTAIN SENSITIVE INFORMATION TO FEDERALLY FUNDED RESEARCH AND DEVELOPMENT CENTERS

Pub. L. 114-328, div. A, title II, §235, Dec. 23, 2016, 130 Stat. 2064, provided that:

“(a) IN GENERAL.—The Secretary of Defense shall carry out a pilot program on—

“(1) permitting officers and employees of the Department of Defense to disclose sensitive information to federally funded research and development centers of the Department for the sole purpose of the performance of administrative, technical, or professional services under and within the scope of the contracts with the parent organizations of such federally funded research and development centers; and

“(2) appropriately protecting proprietary information from unauthorized disclosure or use by such centers.

“(b) FFRDCs.—The pilot program shall be carried out with one or more federally funded research and development centers of the Department selected by the Secretary for participation in the pilot program.

“(c) FFRDC PERSONNEL.—Sensitive information may be disclosed to personnel of a federally funded research and development center under the pilot program only if such personnel and contractors agree to be subject to, and comply with, appropriate ethics standards and requirements applicable to Government personnel, including the Ethics in Government Act of 1978 [5 U.S.C. App.], section 1905 of title 18, United States Code, and chapter 21 of title 41, United States Code.

“(d) CONDITIONS ON DISCLOSURE.—Sensitive information may be disclosed under the pilot program only if the federally funded research and development center concerned and its parent organization agree to and acknowledge in the parent organization’s contract with the Department of Defense that—

“(1) sensitive information furnished to the federally funded research and development center will be accessed and used only for the purposes stated in the contract between the parent organization of the federally funded research and development center and the Department of Defense;

“(2) the federally funded research and development center will take all precautions necessary to prevent disclosure of the sensitive information furnished to anyone not authorized access to the information in order to perform the applicable contract;

“(3) sensitive information furnished under the pilot program shall not be used by the federally funded research and development center or parent organization to compete against a third party for a Government or non-Government contract or funding, or to support other current or future research or technology development activities performed by the federally funded research and development center; and

“(4) any personnel of a federally funded research and development center participating in the pilot program may not disclose or use any trade secrets or any nonpublic information accessed under the pilot program, unless specifically authorized by this section.

“(e) DURATION.—(1) The pilot program may commence at any time after the review and issuance of policy guidance, updated appropriately, pertaining to the identification, mitigation, and prevention of potentially unfair competitive advantage conferred to federally funded research and development center personnel with access to sensitive information who serve as technical advisors to acquisition programs.

“(2) The pilot program shall terminate on the date that is three years after the date of the commencement of the pilot program.

“(f) ASSESSMENT.—Not later than two years after the commencement of the pilot program, the Comptroller General of the United States shall submit to the Committees on Armed Services of the Senate and the House

of Representatives a report on the pilot program, including an assessment of the effectiveness of activities under the pilot program in improving acquisition processes and the effectiveness of protections of private-sector intellectual property in the course of such activities.

“(g) SENSITIVE INFORMATION DEFINED.—In this section, the term ‘sensitive information’ means confidential commercial, financial, or proprietary information, technical data, contract performance, contract performance evaluation, management, and administration data, or other privileged information owned by other contractors of the Department of Defense that is exempt from public disclosure under section 552(b)(4) of title 5, United States Code, or which would otherwise be prohibited from disclosure under section 1832 or 1905 of title 18, United States Code.”

GAO STUDY; REPORT

Pub. L. 99-500, §101(c) [title X, §912(b), (c)], Oct. 18, 1986, 100 Stat. 1783-82, 1783-146, Pub. L. 99-591, §101(c) [title X, §912(b), (c)], Oct. 30, 1986, 100 Stat. 3341-82, 3341-146, and Pub. L. 99-661, div. A, title IX, formerly title IV, §912(b), (c), Nov. 14, 1986, 100 Stat. 3926, renumbered title IX, Pub. L. 100-26, §3(5), Apr. 21, 1987, 101 Stat. 273, directed Comptroller General to conduct a study of national defense role of federally funded research and development centers and submit a report to Congress not later than one year after Oct. 18, 1986.

§ 2368. Centers for Science, Technology, and Engineering Partnership

(a) DESIGNATION.—(1) The Secretary of Defense, in coordination with the Secretaries of the military departments, shall designate each science and technology reinvention laboratory as a Center for Science, Technology, and Engineering Partnership (in this section referred to as “Centers”) in the recognized core competencies of the designee.

(2) The Secretary of Defense shall establish a policy to encourage the Secretary of each military department to reengineer management and business processes and adopt best-business and personnel practices at the Centers of the Secretary concerned in connection with the capability requirements of the Centers, so as to serve as recognized leaders in such capabilities throughout the Department of Defense and in the national technology and industrial base.

(3) The Secretary of Defense, acting through the directors of the Centers, may conduct one or more pilot programs, consistent with applicable requirements of law, to test any practices referred to in paragraph (2) that the Directors determine could—

(A) improve the efficiency and effectiveness of operations at Centers;

(B) improve the support provided by the Centers for the elements of the Department of Defense who use the services of the Centers; and

(C) enhance capabilities by reducing the cost and improving the performance and efficiency of executing laboratory missions.

(b) PUBLIC-PRIVATE PARTNERSHIPS.—(1) To achieve one or more objectives set forth in paragraph (2), the Secretary may authorize and establish incentives for the Director of a Center to enter into public-private cooperative arrangements (in this section referred to as a “public-private partnership”) to provide for any of the following:

(A) For employees of the Center, academia, private industry, State and local governments,
