HISTORICAL AND REVISION NOTES

Section is based on Pub. L. 99-190, §101(b) [title VIII, §8005(j), (k)], Dec. 19, 1985, 99 Stat. 1185, 1203.

In two instances, the source law to be codified by the bill includes provisions that on their face require that the Department of Defense notify Congress of certain actions. These notification requirements were terminated by section 602 of the Goldwater-Nichols Department of Defense Reorganization Act of 1986 (Public Law 99-433), which terminated all recurring reporting requirements applicable to the Department of Defense except for those requirements that were specifically exempted in that section. The source law sections are sections 8009(c) and 8005(j) (proviso) of the FY86 defense appropriations Act (Public Law 99-190), enacted December 19, 1985, which would be codified as section 2201 of title 10 (by section 1(d) of the bill) and section 7313(a) of title 10 (by section 1(n) of the bill). In codifying the authorities provided the Department of Defense by these two provisions of law, the committee believes that it is appropriate to reinstate the congressional notification requirements that go with those authorities. These sections were recurring annual appropriation provisions for many years and were made permanent only months before the enactment of the 1986 Reorganization Act. It is the committee's belief that the failure to exempt these provisions from the general reports termination provision was inadvertent and notes that the notification provisions had in fact previously applied to the Department of Defense for many years. The action of the committee restores the status quo as it existed before the Reorganization Act.

PRIOR PROVISIONS

A prior section 8683, acts Aug. 10, 1956, ch. 1041, 70A Stat. 535; Sept. 2, 1958, Pub. L. 85-861, §1(156), 72 Stat. 1513; Aug. 25, 1959, Pub. L. 86-197, §1(7), 73 Stat. 426, related to service credit for certain service as a nurse, woman medical specialist, or civilian employee of Army Medical Department, prior to repeal by Pub. L. 99-145, title XIII, §1301(d)(1)(A), Nov. 8, 1985, 99 Stat. 736.

AMENDMENTS

2018—Pub. L. 115-232 renumbered section 7313 of this title as this section.

EFFECTIVE DATE OF 2018 AMENDMENT

Amendment by Pub. L. 115-232 effective Feb. 1, 2019, with provision for the coordination of amendments and special rule for certain redesignations, see section 800 of Pub. L. 115-232, set out as a note preceding section 3001 of this title.

§ 8684. Overhaul of naval vessels: competition between public and private shipyards

The Secretary of the Navy should ensure, in any case in which the Secretary awards a project for repair, alteration, overhaul, or conversion of a naval vessel following competition between public and private shipyards, that each of the following criteria is met:

(1) The bid of any public shipyard for the award includes—

(A) the full costs to the United States associated with future retirement benefits of civilian employees of that shipyard consistent with computation methodology established by Office of Management and Budget Circular A-76; and

(B) in a case in which equal access to the Navy supply system is not allowed to public and private shipyards, a pro rata share of the costs of the Navy supply system.

(2) Costs applicable to oversight of the contract by the appropriate Navy supervisor of shipbuilding, conversion, and repair are added to the bid of any private shipyard for the purpose of comparability analysis.
