

of months (and fractions thereof) in the enrollment period, exceeds the amount equal to 200 percent of the monthly rate of educational assistance allowance otherwise payable with respect to the person under section 16131 of this title.

(c)(1) The amount of the accelerated payment of educational assistance payable with respect to an eligible person making an election under subsection (a) for a program of education shall be the lesser of—

(A) the amount equal to 60 percent of the established charges for the program of education; or

(B) the aggregate amount of educational assistance allowance to which the person remains entitled under this chapter at the time of the payment.

(2)(A) In this subsection, except as provided in subparagraph (B), the term “established charges”, in the case of a program of education, means the actual charges (as determined pursuant to regulations prescribed by the Secretary of Veterans Affairs) for tuition and fees which similarly circumstanced individuals who are not eligible for benefits under this chapter and who are enrolled in the program of education would be required to pay. Established charges shall be determined on the following basis:

(i) In the case of an individual enrolled in a program of education offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the term, quarter, or semester.

(ii) In the case of an individual enrolled in a program of education not offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the entire program of education.

(B) In this subsection, the term “established charges” does not include any fees or payments attributable to the purchase of a vehicle.

(3) The educational institution providing the program of education for which an accelerated payment of educational assistance allowance is elected by an eligible person under subsection (a) shall certify to the Secretary of Veterans Affairs the amount of the established charges for the program of education.

(d) An accelerated payment of educational assistance allowance made with respect to an eligible person under this section for a program of education shall be made not later than the last day of the month immediately following the month in which the Secretary of Veterans Affairs receives a certification from the educational institution regarding—

(1) the person’s enrollment in and pursuit of the program of education; and

(2) the amount of the established charges for the program of education.

(e)(1) Except as provided in paragraph (2), for each accelerated payment of educational assistance allowance made with respect to an eligible person under this section, the person’s entitlement to educational assistance under this chapter shall be charged the number of months (and any fraction thereof) determined by dividing the amount of the accelerated payment by the full-

time monthly rate of educational assistance allowance otherwise payable with respect to the person under section 16131 of this title as of the beginning date of the enrollment period for the program of education for which the accelerated payment is made.

(2) If the monthly rate of educational assistance allowance otherwise payable with respect to an eligible person under section 16131 of this title increases during the enrollment period of a program of education for which an accelerated payment of educational assistance allowance is made under this section, the charge to the person’s entitlement to educational assistance under this chapter shall be determined by prorating the entitlement chargeable, in the manner provided for under paragraph (1), for the periods covered by the initial rate and increased rate, respectively, in accordance with regulations prescribed by the Secretary of Veterans Affairs.

(f) The Secretary of Veterans Affairs shall prescribe regulations to carry out this section. The regulations shall include requirements, conditions, and methods for the request, issuance, delivery, certification of receipt and use, and recovery of overpayment of an accelerated payment of educational assistance allowance under this section. The regulations may include such elements of the regulations prescribed under section 3014A of title 38 as the Secretary of Veterans Affairs considers appropriate for purposes of this section.

(g) The aggregate amount of educational assistance payable under this section in any fiscal year for enrollments covered by subsection (b)(1) may not exceed \$4,000,000.
