

U.S.C. 1715z-11a(a)), shall be subject to the availability of appropriations to the extent that the loan market value exceeds the sale proceeds. If the multifamily loan is sold, during such fiscal years, for an amount equal to or greater than the loan market value then the transaction is not subject to the availability of appropriations.

“(c) APPLICABILITY.—This section shall not apply to any transaction that formally commences within one year prior to the enactment of this section [Feb. 8, 2006].”

MULTIFAMILY HOUSING DISPOSITION

Pub. L. 103-233, title I, §101(a), Apr. 11, 1994, 108 Stat. 343, provided that: “The Congress finds that—

“(1) the portfolio of multifamily housing project mortgages insured by the FHA is severely troubled and at risk of default, requiring the Secretary to increase loss reserves from \$5,500,000,000 in 1991 to \$11,900,000,000 in 1992 to cover estimated future losses;

“(2) the inventory of multifamily housing projects owned by the Secretary has more than quadrupled since 1989, and, by the end of 1994, may exceed 69,000 units;

“(3) the cost to the Federal Government of owning and maintaining multifamily housing projects escalated to \$288,000,000 in fiscal year 1993;

“(4) the inventory of multifamily housing projects subject to mortgages held by the Secretary has increased dramatically, to more than 2,400 mortgages, and approximately half of these mortgages, with approximately 219,000 units, are delinquent;

“(5) the inventory of insured and formerly insured multifamily housing projects is deteriorating, potentially endangering tenants and neighborhoods; and

“(6) the current statutory framework governing the disposition of multifamily housing projects effectively impedes the Government’s ability to dispose of properties, protect tenants, and ensure that projects are maintained over time.”

Pub. L. 100-242, title I, §184, Feb. 5, 1988, 101 Stat. 1872, as amended by Pub. L. 101-625, title V, §580, Nov. 28, 1990, 104 Stat. 4245, provided for establishment of demonstration program for multifamily housing disposition partnerships, together with requirements relating to participation by State housing finance agencies in sale of such housing and cooperation between Secretary of Housing and Urban Development and such agencies, as well as termination of such program at end of Sept. 30, 1991, with certain exceptions, with report to Congress required to be submitted by Secretary not later than 6 months after Sept. 30, 1991, prior to repeal by Pub. L. 103-233, title I, §102, Apr. 11, 1994, 108 Stat. 358.

§ 1701z-12. Housing access

The Secretary shall require any purchaser of a multifamily housing project owned by the Secretary which is sold on or after October 1, 1978, to agree not to refuse unreasonably to lease a vacant dwelling unit in the project which rents for an amount not greater than the fair market rent for a comparable unit in the area as determined by the Secretary under section 1437f of title 42 to a holder of a certificate of eligibility under that section solely because of such prospective tenant’s status as a certificate holder.

CODIFICATION

Section was enacted as part of the Housing and Community Development Amendments of 1978, and not as part of the National Housing Act which comprises this chapter.

§ 1701z-13. Solar energy for single-family and multifamily housing units

(a) Purpose

It is the purpose of this section to promote and extend the application of viable solar energy systems as a desirable source of energy for residential single-family and multifamily housing units.

(b) Cost-effective and economically feasible solar energy systems; “solar energy system” defined

(1) The Secretary, in carrying out programs and activities under section 1452b¹ of title 42, section 1701q of this title, and section 1437f of title 42, shall permit the installation of solar energy systems which are cost-effective and economically feasible.

(2) For the purpose of this Act, the term “solar energy system” means any addition, alteration, or improvement to an existing or new structure which is designed to utilize wind energy or solar energy either of the active type based on mechanically forced energy transfer or of the passive type based on convective, conductive, or radiant energy transfer or some combination of these types to reduce the energy requirements of that structure from other energy sources, and which is in conformity with such criteria and standards as shall be prescribed by the Secretary in consultation with the Secretary of Energy.

(c) Matters considered

In carrying out subsection (b), the Secretary shall take such steps as may be necessary to encourage the installation of cost-effective and economically feasible solar energy systems in housing assisted under the programs and activities referred to in such subsection taking into account the interests of low-income homeowners and renters, including the implementation of a plan of action to publicize the availability and feasibility of solar energy systems to current or potential recipients of assistance under such programs and activities.

(d) Report to Congress

The Secretary shall, in conjunction with the Secretary of Energy, transmit to the Congress, within eighteen months after October 31, 1978, a report setting forth—

(1) the number of solar units which were contracted for or installed or which are on order under the provisions of subsection (b)(1) of this section during the first twelve full calendar months after October 31, 1978; and

(2) an analysis of any problems and benefits related to encouraging the use of solar energy systems in the programs and activities referred to in subsection (b).

§ 1701z-15. Approval of individual residential water purification or treatment units

(a) In general

When the existing water supply does not meet the minimum property standards established by the Department of Housing and Urban Development and a permanent alternative acceptable water supply is not available, a continuous supply of water may be provided through the use of approved residential water treatment equipment or a water purification unit that provides bacterially and chemically safe drinking water.

(b) Approval process

A performance-based approval of the equipment or unit and the maintenance, monitoring, and replacement plan for such equipment or unit shall be certified by field offices of the Department of Housing and Urban Development based upon general standards recognized by the Department as modified for local or regional conditions. As a part of such approved plan, a separate monthly escrow account may be required to be established through the lender to cover the cost of the approved yearly maintenance and monitoring schedule and projected replacement of the equipment or unit.

§ 1701z-16. Energy efficient mortgages pilot program

(a) Establishment of pilot program

(1) In general

Not later than 6 months after October 24, 1992, the Secretary of Housing and Urban Development (hereafter referred to as the “Secretary”) shall establish an energy efficient mortgage pilot program in 5 States, to promote the purchase of existing energy efficient residential buildings and the installation of cost-effective improvements in existing residential buildings.

(2) Pilot program

The pilot program established under this subsection shall include the following criteria, where applicable:

(A) Origination

The lender shall originate a housing loan that is insured under title II of the National Housing Act [12 U.S.C. 1707 et seq.] in accordance with the applicable requirements.

(B) Approval

The mortgagor’s base loan application shall be approved if the mortgagor’s income and credit record is found to be satisfactory.

(C) Costs of improvements

The cost of cost-effective energy efficiency improvements shall not exceed the greater of—

(i) 5 percent of the property value (not to exceed 5 percent of the limit established under section 203(b)(2)(A)) of the National Housing Act (12 U.S.C. 1709(b)(2)(A));¹ or

(ii) 2 percent of the limit established under section 203(b)(2)(B) of such Act [12 U.S.C. 1709(b)(2)(B)].

(D) Limitation

In any fiscal year, the aggregate number of mortgages insured pursuant to this section may not exceed 5 percent of the aggregate number of mortgages for 1- to 4-family residences insured by the Secretary of Housing and Urban Development under title II of the National Housing Act (12 U.S.C. 1707 et seq.) during the preceding fiscal year.

(3) Authority for mortgages

In granting mortgages under the pilot program established pursuant to this subsection, the Secretary shall grant mortgagees the authority—

(A) to permit the final loan amount to exceed the loan limits established under title II of the National Housing Act [12 U.S.C. 1707 et seq.] by an amount not to exceed 100 percent of the cost of the cost-effective energy efficiency improvements, if the mortgagor’s request to add the cost of such improvements is received by the mortgagee prior to funding of the base loan;

(B) to hold in escrow all funds provided to the mortgagor to undertake the energy efficiency improvements until the efficiency improvements are actually installed; and
