After August 2, 1954, (i) the Secretary shall not enter into contracts for insurance pursuant to this section except with lending institutions which are subject to the inspection and supervision of a governmental agency required by law to make periodic examinations of their books and accounts, and which the Secretary finds to be qualified by experience or facilities to make and service such loans, advances or purchases, and with such other lending institutions which the Secretary approves as eligible for insurance pursuant to this section on the basis of their credit and their experience or facilities to make and service such loans, advances or purchases; (ii) only such items as substantially protect or improve the basic livability or utility of properties shall be eligible for financing under this section, and therefore the Secretary shall from time to time declare ineligible for financing under this section any item, product, alteration, repair, improvement, or class thereof which he determines would not substantially protect or improve the basic livability or utility of such properties, and he may also declare ineligible for financing under this section any item which he determines is especially subject to selling abuses; and (iii) the Secretary is authorized and directed, by such regulations or procedures as he shall deem advisable, to prevent the use of any financial assistance under this section (1) with respect to new residential structures (other than manufactured homes) that have not been completed and occupied for at least six months, or (2) which would, through multiple loans, result in an outstanding aggregate loan balance with respect to the same structure exceeding the dollar amount limitation prescribed in this subsection for the type of loan involved: *Provided*, That this clause (iii) may in the discretion of the Secretary be waived with respect to the period of occupancy or completion of any such new residential structures. The Secretary is hereby authorized and directed, with respect to manufactured homes to be financed under this section, to (i) prescribe minimum property standards to assure the livability and durability of the manufactured home and the suitability of the site on which the manufactured home is to be located; and (ii) obtain assurances from the borrower that the manufactured home will be placed on a site which complies with the standards prescribed by the Secretary and with local zoning and other applicable local requirements.
