(a) The Commandant subject to applicable regulations under subtitle I of title 40 and division C (except sections 3302, 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of title 41 may dispose of, with or without charge, to the Coast Guard Auxiliary, including any incorporated unit thereof, to the sea-scout service of the Boy Scouts of

America, and to any public body or private organization not organized for profit having an interest therein for historical or other special reasons, such obsolete or other material as may not be needed for the Coast Guard.

(b) The Commandant may, under regulations prescribed by the Secretary, sell apparatus or equipment manufactured by or in use in the Coast Guard, which is not readily procurable in the open market. The money received from such sale shall be deposited in the Treasury to the credit of the current appropriation from which purchase of similar apparatus or equipment is authorized.

The cost of the project may not be greater than 50 percent of the amount permissible for a minor construction project.
