§ 8701. Declaration of policy

(a) Purpose

The purpose of this chapter is to authorize the establishment of an orderly program for devel-

oping, financing, and carrying out an effective, continuous, and coordinated program of research, education, and promotion, including funds for marketing and market research activities, that is designed to—

(1) strengthen the position of the concrete masonry products industry in the domestic marketplace;

(2) maintain, develop, and expand markets and uses for concrete masonry products in the domestic marketplace; and

(3) promote the use of concrete masonry products in construction and building.

(b) Limitation

Nothing in this chapter may be construed to provide for the control of production or otherwise limit the right of any person to manufacture concrete masonry products.

SHORT TITLE

Pub. L. 115–254, div. E, §1301, Oct. 5, 2018, 132 Stat. 3469, provided that: “This division [enacting this chapter] may be cited as the ‘Concrete Masonry Products Research, Education, and Promotion Act of 2018’.”

§ 8702. Definitions

For the purposes of this chapter:

(1) Block machine

The term “block machine” means a piece of equipment that utilizes vibration and compaction to form concrete masonry products.

(2) Board

The term “Board” means the Concrete Masonry Products Board established under section 8704 of this title.

(3) Cavity

The term “cavity” means the open space in the mold of a block machine capable of forming a single concrete masonry unit having nominal plan dimensions of 8 inches by 16 inches.

(4) Concrete masonry products

The term “concrete masonry products” refers to a broader class of products, including concrete masonry units as well as hardscape products such as concrete pavers and segmental retaining wall units, manufactured on a block machine using dry-cast concrete.

(5) Concrete masonry unit

The term “concrete masonry unit”—

(A) means a concrete masonry product that is a manmade masonry unit having an actual width of 3 inches or greater and manufactured from dry-cast concrete using a block machine; and

(B) includes concrete block and related concrete units used in masonry applications.

(6) Conflict of interest

The term “conflict of interest” means, with respect to a member or employee of the Board, a situation in which such member or employee has a direct or indirect financial or other interest in a person that performs a service for, or enters into a contract with, for anything of economic value.
