MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 8 of 1950, prepared in accordance with the Reorganization Act of 1949 and providing for reorganizations in the Federal Trade Commission. My reasons for transmitting this plan are stated in any accompanying general message.

After investigation I have found and hereby declare that each reorganization included in Reorganization Plan No. 8 of 1950 is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949.

The taking effect of the reorganizations included in this plan may not in itself result in substantial immediate savings. However, many benefits in improved operations are probable during the next years which will result in a reduction in expenditures as compared with those that would be otherwise necessary. An itemization of these reductions in advance of actual experience under this plan is not practicable.

HARRY S. TRUMAN.

REORGANIZATION PLAN NO. 4 OF 1961

Eff. July 9, 1961, 26 F.R. 6191, 75 Stat. 837

Prepared by the President and transmitted to the Senate and the House of Representatives in Congress assembled, May 9, 1961, pursuant to the provisions of the Reorganization Act of 1949, 63 Stat. 203, as amended [see 5 U.S.C. 901 et seq.].

FEDERAL TRADE COMMISSION

SECTION 1. AUTHORITY TO DELEGATE

(a) In addition to its existing authority, the Federal Trade Commission, hereinafter referred to as the "Commission", shall have the authority to delegate, by published order or rule, any of its functions to a division of the Commission, an individual Commissioner, a hearing examiner, or an employee or employee board, including functions with respect to hearing, determining, ordering, certifying, reporting or otherwise acting as to any work, business, or matter; *Provided, however*, That nothing herein contained shall be deemed to supersede the provisions of section 7(a) of the Administrative Procedure Act (60 Stat. 241), as amended [see 5 U.S.C. 556].

(b) With respect to the delegation of any of its functions, as provided in subsection (a) of this section, the Commission shall retain a discretionary right to review the action of any such division of the Commission, individual Commissioner, hearing examiner, employee or employee board, upon its own initiative or upon petition of a party to or an intervenor in such action, within such time and in such manner as the Commission shall by rule prescribe: *Provided, however*, That the vote of a majority of the Commission less one member thereof shall be sufficient to bring any such action before the Commission for review.

(c) Should the right to exercise such discretionary review be declined, or should no such review be sought

within the time stated in the rules promulgated by the Commission, then the action of any such division of the Commission, individual Commissioner, hearing examiner, employee or employee board, shall, for all purposes, including appeal or review thereof, be deemed to be the action of the Commission.

SEC. 2. TRANSFER OF FUNCTIONS TO THE CHAIRMAN

In addition to the functions transferred by the provisions of Reorganization Plan No. 8 of 1950 (64 Stat. 1264) [set out as a note under this section], there are hereby transferred from the Commission to the Chairman of the Commission the functions of the Commission with respect to the assignment of Commission personnel, including Commissioners, to perform such functions as may have been delegated by the Commission to Commission personnel, including Commissioners, pursuant to section 1 of this reorganization plan.

MESSAGE OF THE PRESIDENT

To the Congress of the United States:

I transmit herewith Reorganization Plan No. 4 of 1961, prepared in accordance with the Reorganization Act of 1949, as amended, and providing for reorganization in the Federal Trade Commission.

This Reorganization Plan No. 4 of 1961 follows upon my message of April 13, 1961, to the Congress of the United States. It is believed that the taking effect of the reorganizations included in this plan will provide for greater efficiency in the dispatch of the business of the Federal Trade Commission.

The plan provides for greater flexibility in the handling of the business before the Commission, permitting its disposition at different levels so as better to promote its efficient dispatch. Thus matters both of an adjudicatory and regulatory nature may, depending upon their importance and their complexity, be finally consummated by divisions of the Commission, individual Commissioners, hearing examiners, and, subject to the provisions of section 7(a) of the Administrative Procedure Act (60 Stat. 241), by other employees. This will relieve the Commissioners from the necessity of dealing with many matters of lesser importance and thus conserve their time for the consideration of major matters of policy and planning. There is, however, reserved to the Commission as a whole the right to review any such decision, report or certification either upon its own initiative or upon the petition of a party or intervenor demonstrating to the satisfaction of the Commission the desirability of having the matter reviewed at the top level.

Provision is also made, in order to maintain the fundamental bipartisan concept explicit in the basic statute creating the Commission, for mandatory review of any such decision, report or certification upon the vote of a majority of the Commission less one member.

Inasmuch as the assignment of delegated functions in particular cases and with reference to particular problems to divisions of the Commission, to Commissioners, to hearing examiners, to employees and boards of employees must require continuous and flexible handling, depending both upon the amount and nature of the business, that function is placed in the Chairman by section 2 of the plan.

By providing sound organizational arrangements, the taking effect of the reorganizations included in the accompanying reorganization plan will make possible more economical and expeditious administration of the affected functions. It is, however, impracticable to itemize at this time the reductions of expenditures which it is probable will be brought about by such taking effect.

After investigation, I have found and hereby declare that each reorganization included in the reorganization plan transmitted herewith is necessary to accomplish one or more of the purposes set forth in section 2(a) of the Reorganization Act of 1949, as amended.

I recommend that the Congress allow the reorganization plan to become effective.

JOHN F. KENNEDY.

§ 42. Employees; expenses

Each commissioner shall receive a salary, payable in the same manner as the salaries of the judges of the courts of the United States. The commission shall appoint a secretary, who shall receive a salary, and it shall have authority to employ and fix the compensation of such attorneys, special experts, examiners, clerks, and other employees as it may from time to time find necessary for the proper performance of its duties and as may be from time to time appropriated for by Congress.

With the exception of the secretary, a clerk to each Commissioner, the attorneys, and such special experts and examiners as the Commission may from time to time find necessary for the conduct of its work, all employees of the Commission shall be a part of the classified civil service, and shall enter the service under such rules and regulations as may be prescribed by the Commission and by the Director of the Office of Personnel Management.

All of the expenses of the Commission, including all necessary expenses for transportation incurred by the Commissioners or by their employees under their orders, in making any investigation, or upon official business in any other places than in the city of Washington, shall be allowed and paid on the presentation of itemized vouchers therefor approved by the Commission.

Until otherwise provided by law, the Commission may rent suitable offices for its use.

The Government Accountability Office shall receive and examine all accounts of expenditures of the Commission.
