

PART B—CREDIT TRANSACTIONS

§ 1631. Disclosure requirements**(a) Duty of creditor or lessor respecting one or more than one obligor**

Subject to subsection (b), a creditor or lessor shall disclose to the person who is obligated on a consumer lease or a consumer credit transaction the information required under this subchapter. In a transaction involving more than one obligor, a creditor or lessor, except in a transaction under section 1635 of this title, need not disclose to more than one of such obligors if the obligor given disclosure is a primary obligor.

(b) Creditor or lessor required to make disclosure

If a transaction involves one creditor as defined in section 1602(f)¹ of this title, or one lessor as defined in section 1667(3) of this title, such creditor or lessor shall make the disclosures. If a transaction involves more than one creditor or lessor, only one creditor or lessor shall be required to make the disclosures. The Bureau shall by regulation specify which creditor or lessor shall make the disclosures.

(c) Estimates as satisfying statutory requirements; basis of disclosure for per diem interest

The Bureau may provide by regulation that any portion of the information required to be disclosed by this subchapter may be given in the form of estimates where the provider of such information is not in a position to know exact information. In the case of any consumer credit transaction a portion of the interest on which is determined on a per diem basis and is to be collected upon the consummation of such transaction, any disclosure with respect to such portion of interest shall be deemed to be accurate for purposes of this subchapter if the disclosure is based on information actually known to the creditor at the time that the disclosure documents are being prepared for the consummation of the transaction.

(d) Tolerances for numerical disclosures

The Bureau shall determine whether tolerances for numerical disclosures other than the annual percentage rate are necessary to facilitate compliance with this subchapter, and if it determines that such tolerances are necessary to facilitate compliance, it shall by regulation permit disclosures within such tolerances. The Bureau shall exercise its authority to permit tolerances for numerical disclosures other than the annual percentage rate so that such tolerances are narrow enough to prevent such tolerances from resulting in misleading disclosures or disclosures that circumvent the purposes of this subchapter.

§ 1632. Form of disclosure; additional information

(a) Information clearly and conspicuously disclosed; “annual percentage rate” and “finance charge”; order of disclosures and use of different terminology

Information required by this subchapter shall be disclosed clearly and conspicuously, in accordance with regulations of the Bureau. The terms “annual percentage rate” and “finance charge” shall be disclosed more conspicuously than other terms, data, or information provided in connection with a transaction, except information relating to the identify of the creditor. Except as provided in subsection (c), regulations of the Bureau need not require that disclosures pursuant to this subchapter be made in the order set forth in this subchapter and, except as otherwise provided, may permit the use of terminology different from that employed in this subchapter if it conveys substantially the same meaning.

(b) Optional information by creditor or lessor

Any creditor or lessor may supply additional information or explanation with any disclosures required under parts D and E and, except as provided in sections 1637a(b)(3) and 1638(b)(1) of this title, under this part.

(c) Tabular format required for certain disclosures under section 1637(c)

(1) In general

The information described in paragraphs (1)(A), (3)(B)(i)(I), (4)(A), and (4)(C)(i)(I) of section 1637(c) of this title shall be—

(A) disclosed in the form and manner which the Bureau shall prescribe by regulations; and

(B) placed in a conspicuous and prominent location on or with any written application, solicitation, or other document or paper with respect to which such disclosure is required.

(2) Tabular format

(A) Form of table to be prescribed

In the regulations prescribed under paragraph (1)(A) of this subsection, the Bureau shall require that the disclosure of such information shall, to the extent the Bureau determines to be practicable and appropriate, be in the form of a table which—

(i) contains clear and concise headings for each item of such information; and

(ii) provides a clear and concise form for stating each item of information required to be disclosed under each such heading.

(B) Bureau discretion in prescribing order and wording of table

In prescribing the form of the table under subparagraph (A), the Bureau may—

(i) list the items required to be included in the table in a different order than the order in which such items are set forth in paragraph (1)(A) or (4)(A) of section 1637(c) of this title; and

(ii) subject to subparagraph (C), employ terminology which is different than the terminology which is employed in section 1637(c) of this title if such terminology conveys substantially the same meaning.

(C) Grace period

Either the heading or the statement under the heading which relates to the time period referred to in section 1637(c)(1)(A)(iii) of this title shall contain the term “grace period”.

(d) Additional electronic disclosures

(1) Posting agreements

Each creditor shall establish and maintain an Internet site on which the creditor shall post the written agreement between the creditor and the consumer for each credit card account under an open-end consumer credit plan.

(2) Creditor to provide contracts to the Bureau

Each creditor shall provide to the Bureau, in electronic format, the consumer credit card agreements that it publishes on its Internet site.

(3) Record repository

The Bureau shall establish and maintain on its publicly available Internet site a central repository of the consumer credit card agreements received from creditors pursuant to this subsection, and such agreements shall be easily accessible and retrievable by the public.

(4) Exception

This subsection shall not apply to individually negotiated changes to contractual terms, such as individually modified workouts or renegotiations of amounts owed by a consumer under an open end consumer credit plan.

(5) Regulations

The Bureau, in consultation with the other Federal banking agencies (as that term is defined in section 1681a of this title) and the Bureau,¹ may promulgate regulations to implement this subsection, including specifying the format for posting the agreements on the Internet sites of creditors and establishing exceptions to paragraphs (1) and (2), in any case in which the administrative burden outweighs the benefit of increased transparency, such as where a credit card plan has a de minimis number of consumer account holders.
